### **FY24 Proposed Fee Increases Reasoning by Department**

#### **Copy Fees**

Copy fees for commercial requests have been increased to keep up with increased costs.

#### **Finance Division Fees**

NSF Fees were changed to match to match the amount charged by our bank.

#### Marshal's Office Fees

Animal Licensing late fees were added to reinforce the need to have animals licensed.

#### **Parks & Recreation Department Fees**

The following Class D fees were increased at the request of the Town Council to ensure that there was no discount applied to Class D fees and they paid the same or equivalent to the full market commercial fees (Class C).

- -Ball Field Lights
- Sports Fields Butler & Community Center Field
- Sports Fields Sports Complex
- Restrooms Sports Complex
- Concession Stand Sports Complex
- Gym

The following Class D fees were increased at the request of the Town Council to ensure that there was no discount applied to Class D fees and they paid the same or equivalent to the full market commercial fees (Class C) and a minimum charge equivalent to Class C daily rate was added.

- Park Ramadas, Gazebo, Town Ramada

The following Class D fees were increased at the request of the Town Council to ensure that there was no discount applied to Class D fees and they paid the same or equivalent to the full market commercial fees (Class C). New hourly rate is analogous to ½ and full day Class C rate but no daily maximum.

- Kitchen

#### **Community Development Department Fees**

Council chose to remove the 3% technology fee surcharge from all fees and simply have the fee increased by the 3%. While most fees seem to have increased, they are really just moving the technology fee portion directly to the listed fee.

#### **Water Division Fees**

Meter Fees for 5/8", 1" and 1 ½" meters have been increased to due to increases in the cost of the meters and the cost of staff time to intall.

Hydrant use and relocation fees were created to cover the cost of staff time for those services.

Establishment fees and Temporary turn-off fees have been increased to cover the cost of staff time to perform services.

The civil penalty fee is being established to cover the cost of new locks, potential damage and staff time to reinstall the locks.

Definition of Shell Building: A shell building is defined as a building for which HVAC, lighting, suspended ceilings, plumbing and electrical systems, partition layouts and interior finishes are not shown on the plans and for which NO SPECIFIC USE or TENANT has been noted. A separate permit with plans for tenant improvements will be required at a later date for completion of a shell building. A "Shell Only" building may include a fire extinguishing system as needed for fire protection requirements and minimal electric for lighting (house panel only) and main under slab sewer drain (not to include fixtures) along with slab floor. Warehouses and industrial buildings shall not be considered as a shell building. NO Certificate of Occupancy shall be issued for any building permitted as a SHELL BUILDING under this definition.
