

## About CVCL

We maintain a collection of about 30,000 books, audiobooks, magazines, DVDs, and music CDs at the library.

Our membership in the Yavapai Library Network (YLN) provides access to over 1,000,000 titles. The Network provides an online catalog and a mobile app that enables you to search and request material through any Internet connected computer or mobile device for pickup at CVCL.

Items unavailable through the YLN may be requested through Interlibrary Loan.

Our Digital Library includes a variety of research, informational and special interest databases. Plus, thousands of downloadable audio & eBook titles, streaming movies and music, and magazines and graphic novels are accessible through free WiFi inside and outside the building.

A variety of programs and events for ages 1-101 happen weekly at the library. Go to [campverde.az.gov/cvcl](http://campverde.az.gov/cvcl) and click on **Library/Events Calendar** for a current schedule. ## LIBRARY CARD

Sign up for your CVCL Library card online or in person to access hundreds of thousands of print and online resources at home or in the library. To protect your account, many services require you to login with your 14-digit library card number and a PIN. The PIN is the last 4 digits of the phone number on record. If you have trouble logging into any of our resources, please contact us for help.

## CHECKOUT & RETURN

Up to 50 items may be borrowed from the library on your account at one time. Books & audiovisual material may be returned in the Book Drop on the north side of the building at your convenience. Magazines and Interlibrary loans are available for checkout but must be returned **inside** the library to avoid damage.

## LOAN PERIODS

POP New Books have a 14-day loan period and magazines a 7-day. All other material owned by CVCL has a 21-day loan period. Items borrowed from other YLN libraries vary in loan periods.

## HOLDS & REQUESTS

Many titles are available at other YLN libraries for your use. You can place holds and manage your account yourself via the online catalog at the library, the YLN mobile app, at home, at work or any place you have an Internet connection. Please ask for assistance from any library staff person or volunteer if you cannot find a title or author you are looking for. We are happy to help!

There are no fees associated with placing items on Hold. When your Hold item arrives at CVCL, you have 10 days to pick it up. You may select to be notified by our automated telemessaging system, by SMS text message,

by email, or by calling the library to see if your item has arrived.

## RENEWALS

Items owned by CVCL will auto-renew one time if there is no hold request on the item. Renewal privileges vary on Network owned material. Interlibrary loan material cannot be renewed.

## BILLS

When \$10.00 or more is owed on a library account, library privileges are blocked across all YLN libraries until the bill is paid. Library bills may be paid by cash or check. Credit cards are not accepted at this time.

## PUBLIC COMPUTERS

The library has over 2 dozen Internet computers in-house, dozens of Chromebooks, laptops, and tablets to checkout, and 6 online catalogs for public use.
