MEMORANDUM

TO: Russ Martin, Town Manager

FROM: Kathy Hellman, Library Director

SUBJECT: Monthly Report – January 2019

DATE: 2/8/2019

CC: Department Heads, Town Council

Report from Library Director, Kathy Hellman: CVMO Officer, Dave Freeman, provided training to library staff in the use of NARCAN to save the life of an individual suffering from a drug overdose. The library applied for free NARCAN through https://www.narcan.com/community/education-awareness-and-training-resources/. Dave made the material accessible and allayed our fears that we might do the wrong thing and hurt someone.

Huge THANK YOUs to Quintus, Inc. and Friends of Camp Verde Library for sponsoring the **Discover Tech: Engineers Make a World of Difference** Exhibition! Families of all shapes, ages and sizes are enjoying spending time with the interactive learning stations from STAR_Net.

Discover Tech: Engineers Make a World of Difference, a traveling exhibition for libraries, is part of the STAR Library Education Network (STAR_Net) led by the National Center for Interactive Learning at the Space Science Institute. Local exhibit sponsors include Friends of Camp Verde Library and Quintus, Inc. Discover Tech is supported through a grant from the National Science Foundation.

The CV Maintenance crew managed the installation of a new, quiet, hands-free front door. Stanley Security removed the original door and replaced it with an automatic sliding door in one day, minimizing the amount of construction time on location. Since replacing the loud, heavy, awkward doors, we have had many compliments and heard stories from patrons who were having trouble getting in and out of our front door. Not only is the new one quieter and more efficient, it's much safer for slower moving folks and families. Thank you to everyone who helped make this change!

Report from Library Specialist, Carson Ralston: We were fortunate to be one of only 4 Arizona cities to host the

Arizona Humanities Council funded multi-media program *Riders on the Orphan Train – Foundlings on the Frontier* on January 22nd. Musician, Phil Lancaster and Author & Humanities Scholar, Alison Moore gave an incredibly informative presentation about the largest child migration in history. Between 1854 and 1929 over 250,000 orphans and unwanted children were taken out of New York City and sent west to find new homes. They told their story through music, a video montage with archival photographs and interviews of survivors, and a dramatic reading of the 2012 novel "Riders on the Orphan Train" by author Alison Moore. The Terracotta Room was packed, with 79 people attending! I had numerous people tell me that evening and in the weeks to come how much they enjoyed attending this program.

Report from Teen Librarian, Zack Garcia: January was a busy month! YAC is in the beginning stages of helping with the Rezzonico Park irrigation project, as well as helping to plan and participate in the Camp Verde's Earth Day event. In addition, I had the privilege of attending two back-to-back training conferences. The first was the YA Summit, put on by the AZ Library Association for teen librarians across the state, and the second was NASA in My Library, all about using StarNet to facilitate STEM programs in the library. Both events were wonderful, and I look forward to putting the knowledge I gained to use!

Report from Library Specialist, Gerry Laurito: We are still getting inquiries about computer classes, but not having luck getting people to attend the class. We will be looking at how we cam better serve/help our patrons with their issues with computers, laptops, tablets and smartphones.
