Memo

To: Mayor and Town Council

CC: Personnel File

From: Russ Martin, Town Manager

Date: June 19, 2015

Re: Response to my final performance review – 2013-2015

As we begin the process again I did want to share the memo written following my Feb/Mar 2015 review. I have been waiting to send this memo out because I wanted it to include my report of successful completion of reviews of my staff a previous issue addressed in my review. All have been updated as of today. Attached is a projected process for my next review. Please let me know if the dates projected are not possible.

Below is my rebuttal/comments written at the end of March 2015 for inclusion in my final review for the file:

Although I can appreciate the process for which this evaluation went through, I feel compelled to respond in writing to a couple comments that were not apparently shared by all Town Council but remain in my review. It is important that I do a professional job for all of Town. I therefore believe I have adhered to the policies and procedures set forth by Council and have gone beyond those to raise the professionalism of the entire organization to a point as high as any in its history and I will continue to strive for even higher. I do recognize and frankly admire each and every elected official and appointed public bodies as I recognize the difficulty in doing these jobs as well, including the policies they have to approve. I believe I have taken every opportunity to place elected officials in high regard and have placed myself in a position regularly to take responsibility for all actions of staff and council. This has not been easy but is my role, I have done it well given a multitude of other options a Town Manager can take in these circumstances. I will continue to do so as it is the Town Manager's role and I understand it.

Finally, I do believe the Town has a qualified Human Resources Director in myself and these duties are occasionally difficult but have been handled professionally, only the need for assistance, which I agree with, is truly necessary. I am also very proud of the financial record of my time here and have adhered to budgets, reduced cost, increased project completion rates all where possible and am currently attempting to address difficult long-term funding deficits, presenting options as a Town Manager as expected. I have balanced the budget from a

structural deficit of nearly \$500,000 when I arrived to the past two years putting small amounts of revenue above expenses into what remains an appropriately healthy reserve which has been protected because of these actions taken by staff and Council. This is following a conservative policy of the Town and its residents.

Again some statements made in this review reflect individual opinions of my performance, however I have attempted to respond to ensure that an appropriate response is also considered. I recognize the nature of humans, including myself, and I will continue to strive to be a better Town Manager as this Town deserves and expects such.

Background Information:

Staff has completely revamped the version to ensure the proper version is being considered along with the changes as made throughout the process. This is prepared for adoption from the last work session where we went through each section, minutes are attached for a reminder on the thoroughness of this review over a year ago. Changes need to be made regularly to the manual to reflect new laws and better practices as they will require us most certainly to do this again soon. The one change that has been made since those work sessions was to the definitions of full-time employee, reflecting the Affordable Care Act requirements, 35 hours down to 30 hours.

Memo

To: Mayor and Town Council
From: Russ Martin, Town Manager
Date: June 19, 2015
Re: Personnel Manual

I am sending the final version that was corrected following a March 19th, 2014 meeting. After which we prepared for adoption a year ago. However, other circumstances made this difficult and we are way past that time now and need to consider final adoption of the updates to Personnel Manual. I believe we have made the changes directed by the March 2014 meeting and are ready to adopt.

We have included the meeting minutes and "redlined" version. If there are areas where we made an error in correction please let me know as soon as possible so we can prepare it for July 1st agenda.

Finally, why are we getting this now ahead of normal agenda schedule? I remember having the request to review this ahead so to ensure all had a chance to review the final changes more than one week normally provides.

Thank you for your time reviewing this and again if we made an error please let us know as soon as possible so we can correct it.

Harold Herrington, representative from Yavapai College addressed Council, first by clarifying that there is no competition in this matter as both parties are working toward the same cause. Herrington stated that the numbers presented to Council did not accurately reflect the amount of funds that are distributed to the Verde Valley Campus, as 2 years prior to the information presented, \$20 million was spent on the Clarkdale campus, which now is too large because enrollment has dropped. Herrington stated that it is the colleges purpose to put students in front of teachers and work to have that done on a constant basis. He noted that over 1/3 of student enrollment has turned to online classes in the past 3 years; the college has to consider enrollment levels. Sedona campus was given as an example, in which the college invested in a facility located in an area that the City of Sedona owned at the time. That property since has sold to a private individual and the college does not have legal access to parking or even entry to the facility at this current time. Herrington assured council that the college wanted to hear from the Town of Camp Verde regarding its needs and asked when Yavapai College ever denied a request to provide a continuing education to its community members.

Linda Buchanan, resident of Camp Verde and a 1999 graduate of Yavapai College, described her personal experiences and hardships endured while traveling from Camp Verde to the Clarkdale campus. Buchanan informed Council that she graduated and has since become an instructor with Yavapai College and had worked out of the Camp Verde facility when the College had a site at the abandoned school building. The building was not in the best condition but it served a purpose. She noted that the travel time to the Prescott Campus is 40 minutes and about the same as travelling to the Clarkdale Campus. She recognized Yavapai College and its agreements with other universities that allowed her to pursue her education and begin her career.

Council called for a 10 minute recess at 7:37 p.m. The meeting was reconvened at 7:45 p.m.

8. **Discussion of and possible direction to staff relative to the Town of Camp Verde Personnel Manual. Note: Council may make motions to accept, deny, or recommend changes to any or all of following Chapters and/or Chapter Sections in the Personnel Manual: Chapter 1 – General Employment Rights & Responsibilities; Chapter 2 – Employment Process; Chapter 3 – Compensation; Chapter 4 – Employment Benefits Chapter 5 – Work Rules; Chapter 6 – Employee Development; Chapter 7 – Safety and Health; and Chapter 8 – Termination of Employment. Staff Resource: Russ Martin**

In answer to Council questions, Martin explained that Council was receiving the same document without previous Council suggestions because he was not sure that he had a good understanding that there was a consensus on many of the items. He suggested that we needed to come up with a better process during work sessions so that everyone was on the same page, noting that the minutes indicated several areas in which there was no clear agreement. In answer to Council questions about the cost of some of the items that were supposed to come back to Council before a decision could be made, Martin advised that he could not remember the associated cost, but would get back to Council before they approved the Manual. Members discussed and appeared to agree to the need to see a final draft with all the changes outlined in red before they would consider approval. Councilor Gordon noted several grammatical and typographical errors throughout the document that should be corrected.

Mayor German advised that they would review the document chapter-by-chapter and that members should address their concerns in each section.

Chapter 1 - Mayor German and Councilors, Jones, Whatley, George, and Gordon agreed to accept Chapter 1. Vice Mayor Baker and Councilor German opposed.

There was a lengthy discussion regarding the proposed changes in Section 1-2-8.3, Use of Public/Town-owned Vehicles with the addition of "or is an emergency services employee with less than a 30-minute response time back to the city limits". Councilor German and Vice Mayor Baker were vehemently opposed to the addition, noting that citizens had come before Council on several occasions opposing this.

Marshal Gardner gave several examples of the need for allowing take-home vehicles for those that live outside

the Town limits. She explained that the Animal Control Officer (ACO) lives in Rimrock and takes calls after hours. She has been using her personal vehicle. She said that we would not want to place an injured animal in the CVMO vehicles or your personal vehicle. She said that staff does not make much money, but they care about the community and they care about providing service. She said that the agony was unnecessarily prolonged for the citizen and the animal. She noted that the ACO no longer answers her phone when off duty.

Gardner explained that recently, there was a fatal accident at I-17 and SR 260 and that an officer had to pass by the accident to get to the Marshal's Office to get his vehicle. She said that it was her goal to protect and serve the citizens and that without take-home vehicles, the public will suffer from the lack of a quick response to their needs. She also explained that she does vehicle inspections and that when an officer has 24-hour control of their vehicle, they can then be held accountable for the wrappers left inside and for the condition of the car. In answer to questions, she advised that they have 20 officers on staff right now and that typically 2 to 3 officers are on duty at one time. She also advised that they do not have sufficient storage room to house the vehicles. She advised that an officer is considered on duty when he or she leaves in their patrol car from home.

Sgt. Steven Butler advised that he is a 20-year veteran who gives 150%, lives in Cottonwood, and was the officer that had to pass by the fatal accident in his personal vehicle. He had an 18-minute drive to work and it took him 10 minutes to get his unmarked patrol unit ready before he could to tend to the family members at the fatal accident. He also responded to a 'man down' scene near the casino in his personal vehicle. He was never told when he took the job that he would be required to live in Camp Verde. He said that he had read the Town policy before he came to work for the Town. He said that he had worked for the City of Cottonwood and the Yavapai-Apache Nation Police and that take-home vehicles never was an issue with two prior administrations and that it was never an issue. Council members corrected this statement, noting that it has always been an issue in Camp Verde and the take-home vehicle policy is clearly stated. Butler disagreed and thanked Council for their time.

Council questions as to whether a peace officer is on duty 24 hours and permitted by law to stop and render aid in their personal vehicles when necessary were unanswered.

Mayor German advised that this would come back to Council for a public hearing and that this is the way the political process works.

Councilor Jones said that we had several meetings and asked if this matter could be delayed because we had spent a lot of time on this one issue and everyone was upset. Jones suggested that they either say 'yes' or 'no' to the entire document instead of going through each chapter. Council members agreed that they were ready to move forward.

Mayor German said that they would be presented with a final document with all the changes and they could address matters at that time. Baker said that we had done this several times and Council should already have a final document in front of them at this meeting that had all the changes that were previously discussed. She said that this should be the final step in giving the Manager direction to come back with the final document. She asked Martin if this was the process.

Martin responded that ironically, this is what he was speaking to at the start, wherein, there was no clear direction from a majority of Council. He said that it made it difficult to manage with all these differing opinions. Baker responded that this is exactly what we are doing.

Public Input

Cheri Wischmeyer said that CVMO has never been allowed take-home vehicles if they lived outside the Town limits, noting a primary reason is the increased liability exposure to the Town. She said that the officers who live in Prescott and Prescott Valley would use a lot of gas, increase maintenance, and put many unnecessary miles on the new vehicles resulting in the need for vehicle replacement at a much quicker rate. She was very upset that this matter was being discussed in the Personnel Manual after the public had made it very clear that this was

unacceptable. She said had it been clear on the agenda that this was being considered again, that more people would have been at the meeting. Councilor Jones noted that people have access to the agendas at the Library and on the Town website. Wischmeyer said that this was a very big deal to the public and that Council should not approve it.

There was no other public input.

Mayor German and Councilors, Jones, Whatley, George, and Gordon agreed to accept the change. Vice Mayor Baker and Councilor German opposed.

Chapter 2 – was approved by all Council members with no objections.

Councilor German reminded Council that they had agreed that the changes to Section 2-3-1.A would apply to non-department head positions only. The change was "After all internal recruitment options had been exhausted through the job posting program," added to the first paragraph. All Council agreed to add 'non-department head positions only'.

Chapter 3 – was approved by all Council members with no objections.

Councilor German noted that Section 3-1-2.B.2.d had Town Marshal/HR Director. All Council members agreed that the Human Resource Director should have its own line.

Mayor German noted that the Manager was supposed to bring back the associated costs with the changes to Section 3-7-1.B Holiday Pay. Martin said that he would provide this information before the Manual is approved.

Public Input

Debbie Hughes suggested that Section 3-6-1 include that the holiday hours were to be included in the overtime calculations. Martin explained that this was addressed in Section H.

Marie Moore explained that because an employee only earns 3.39 hours per pay period for holiday pay, there are many times that vacation has to be used instead of holiday pay or not receive a full paycheck. She asked if Council could consider starting the year with the 88 holiday hours as opposed to the way it is done now. Martin recommended leaving it as is.

There was no other public input.

After discussion, Council members agreed to leave vacation hours as an accrual process.

Councilor German noted that Council members had previously agreed that Section 3-7-3 should not be deleted. All Council members agreed.

Chapter 4 – *no consensus was taken*. However, Councilor George was opposed to Section 4-10-3.E and Baker, German, and Jones were opposed to Section 4-12-4.D.

Council discussed Section 4-10-3.E, the addition of "Upon hire an employee may be given years of service credit only for the purpose of accruing the proper level of leave commensurate with experience" at length. Members agreed that it should be for Exempt positions only; that it was at the discretion of the Manager; and that experience brought could not exceed 12 years. Councilor George opposed, as he felt it should be applicable to all employees.

Public Input

Debbie Hughes advised Council that some people come in with 10 years of experience, but that it could be one or

two different places. She suggested that Council consider continuous experience.

There was no other public input.

Council also discussed at length Section 4-12-4.D, the addition of "Employees that are retired through the Public Safety Retirement System and therefore ineligible to participate in the ASRS or PSRS, the Town will match up to 3% for alternate plans." Discussion included the perception of 'double dipping' since the Town was required to pay 17% into PSRS even though the employee received no additional benefit. Vice Mayor Baker and Council members, Jones and German opposed this addition.

Public Input

Commander Gimt said that Council should take into consideration that he came back to work because of his divorce since his former wife gets half of his retirement. He said that he is committed to Camp Verde and he wants to be assured that Camp Verde is committed to him. He said that he puts his own funds away and he wants to leave here with something that Camp Verde contributes. He said that he bought into the process and he wants the Town to buy into the process as well.

Cheri Wischmeyer said that there were alternatives that employees could contribute pre-tax and that would not require an additional contribution from the Town.

There was no other public input.

Martin said that the issue is the Town contribution, which is an additional 3% cost in order to attract qualified employees.

Chapter 5 -- was approved by Council members with Baker and Councilor German opposing.

Council discussed Section 5-1-1 Normal Work Week Hours at length. Martin explained that it should be up to the department heads to determine the schedule for their staff, noting that many departments already have differing schedules. Baker and German felt that it was too broad and that it should be up to Council to set the work hours as a matter of policy. They were disturbed that some departments are not adequately staffed during normal work hours. Martin did not understand the problem and explained that many departments, such as the Sewer, CVMO, Maintenance, and Street Departments required differing schedules due to many different factors. German and Baker agreed, but felt that other departments should work the same schedules to serve the public.

Public Input:

Debbie Hughes felt that Section 5-6-7 dealing with the Hearing Officer process should not be struck. *All Council members agreed that this Section should remain in the Personnel Manual.*

There was no other public input.

Chapter 6 -- was approved by all Council members with no discussion or objections.

Chapter 7 -- was approved by Council members with no change to Section 7-3, Smoking, with Whatley, George, and Councilor German opposed.

Gordon was opposed to changing Section 7-3 from Smoking to a Tobacco Free Work Place. Mayor German, Vice Mayor Baker, and Councilors Jones and Gordon in agreement to leaving this section as it is.

Chapter 8 -- was approved by all Council members with no discussion or objections.

CHAPTER 1

GENERAL EMPLOYMENT RIGHTS AND RESPONSIBILITIES

POLICY 1-1 EQUAL EMPLOYMENT OPPORTUNITY

The Town of Camp Verde provides equal employment opportunities to all employees and applicants without regard to age, race, religion, national origin, gender, sexual orientation, veteran status, disability, or political affiliation in accordance with applicable Federal laws.

SECTION 1-1-1 - NON-DISCRIMINATION

The Town complies with applicable State and Federal laws governing non-discrimination in employment. This policy applies to all terms and conditions of employment, including but not limited to, hiring, placement, promotion, termination, layoff, recall, transfers, and leaves of absence, compensation and training.

The Town also provides equal treatment for disabled employees who are able to perform, with reasonable accommodation, the essential tasks of the position. The town is not required to make such accommodation if it would impose an "undue hardship" on the business of the town. Undue hardship is an action, which would require significant difficulty or expense in light of the town's size, financial resources, and nature of the operation involved.

SECTION 1-1-2 - CONSEQUENCES OF PROHIBITED CONDUCT

Violations of this policy may be cause for the full range of disciplinary action, up to and including termination.

SECTION 1-1-3 - EQUAL EMPLOYMENT OPPORTUNITY PROGRAM

The **Equal Employment Officer** (Human Resources Director) shall undertake the following actions to ensure equal employment opportunities in the Town:

- A) Periodically review all position qualifications and descriptions to ensure requirements are relevant to the tasks to be performed and make recommendations as needed to delete requirements not reasonably related to the tasks to be performed.
- B) Ensure that pay and benefits depend upon position responsibility and, along with overtime work, are administered on a non-discriminatory basis.
- C) Inform and provide guidance to staff and management personnel who make hiring decisions so that all applications for selections, promotion and termination, including those of minorities and women, are considered without discrimination and all applicants be given equal opportunity regardless of race, color, national origin, sex, age, disability or status as a veteran in accordance with applicable federal laws.
- D) Create a pool of qualified candidates to encourage diversity and ensure equal employment opportunity in hiring. The following practices for listing jobs will be followed under the Equal Employment Opportunity Officer's direction:
 - 1) Regular full time jobs must be open for a minimum of 10 working days.
 - 2) Jobs must be advertised to the broadest audience available and appropriate for the position.

- E) Provide orientation for new employees that specifically emphasize how the Town assures equal opportunity and encourages all employees to avail themselves of equal employment services.
- F) Distributes the Equal Opportunity Policy to employees, contractors, and suppliers.
- G) Include an equal employment opportunity phrase on applications and job announcements.

SECTION 1-1-4 - PROGRAM RESPONSIBILITY

The Human Resources Director shall serve as the Equal Opportunity Officer to carry out the Equal Employment Policy and Program.

- A) The Equal Employment Opportunity Officer shall be the focal point for the Town's equal opportunity efforts and shall advise staff and management personnel in all matters regarding implementation of and compliance with the Equal Employment Opportunity Policy and be responsible for the successful execution of the program, utilizing the assistance of appropriate state and community agencies.
- B) The Equal Employment Opportunity Officer will have the responsibility to examine existing internal policies and procedures that may serve as barriers to implementing the Equal Employment Opportunity Program.

SECTION 1-1-5 - ANTI-HARASSMENT POLICY

The Town of Camp Verde strictly prohibits any form of unlawful employee harassment based on race, color, religion, sex, national origin, age, disability, status as a veteran or status in any group protected by federal, state, or local law. Harassment is unwelcome conduct that is based on race, color, national origin, disability, or age. Such harassment is unlawful if:

- a) The offensive conduct is a condition of continued employment, or
- b) The conduct is severe or pervasive causing a work environment that a reasonable person would find intimidating, hostile or abusive.

CHAPTER 4 EMPLOYMENT BENEFITS

POLICY 4-1 - BENEFITS CONTINUATION/COBRA

The federal Consolidation Omnibus Budget Reconciliation Act (COBRA) of 1985, amended by the Health Insurance Portability and Accountability Act (HIPAA) of 1996, gives covered employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Town of Camp Verde's health plan when a "qualifying event" would result in a loss of eligibility. Some common qualifying events are resignation, voluntary or involuntary termination of employment, death of an employee; a reduction in an employee's hours or a leave of absence, transition between jobs, an employee's divorce or legal separation; or a dependent child no longer meeting eligibility requirement.

SECTION 4-1-1 - WHO PAYS

Under COBRA, the employee or beneficiary pays the full cost of coverage at the Town's group rates plus an administration fee as prescribed by federal law. Qualified individuals may be required to pay the entire premium for coverage up to 102 percent of the cost of the plan.

SECTION 4-1-2 - WRITTEN NOTIFICATION OF ELIGIBILITY

The Town of Camp Verde, through its health insurance supplier, provides each eligible employee with a written notice describing rights and responsibilities under COBRA when the employee becomes eligible for coverage under the Town's health insurance plan; when the employee experiences a qualifying event; and at various federally required dates depending upon the employee's election of COBRA.

POLICY 4-2 - COMPENSATORY LEAVE

Compensatory time is credit for hours worked in excess of a person's normal workweek in accordance with the Fair Labor Standards Act (FLSA). Use of compensatory time as compensatory leave must be pre-approved by the immediate supervisor or department head.

SECTION 4-2-1 - NONEXEMPT EMPLOYEES

- A) Nonexempt employees shall be paid overtime or given compensatory leave at the rate of time and one-half for all hours worked in excess of the normal 40 hour work week if the employee actually worked in excess of 40 hours in one week.
- B) Upon termination of employment, a nonexempt employee will be paid at the employee's prevailing salary rate for unused compensatory time that has been earned through the last day of work.

SECTION 4-2-2 - EXEMPT EMPLOYEES

Executive, administrative, and professional employees are considered exempt employees and are not covered by the overtime pay provisions of the FLSA.

POLICY 4-3 FAMILY AND MEDICAL LEAVE

In accordance with the Family and Medical Leave Act (FMLA) of 1993, the Town of Camp Verde provides family and medical leaves of absences without pay, for up to 12 weeks, to eligible employees who are temporarily unable to work due to a serious health condition or disability as defined by the act; who wish to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or who must care for a child, spouse, or parent with a serious health condition. The Town of Camp Verde will maintain group health insurance coverage during the FMLA term.

SECTION 4-3-1 - DEFINITION OF SERIOUS HEALTH CONDITION

A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility or continuing treatment by a licensed health care provider.

SECTION 4-3-2 - ELIGIBILITY

- A) Employees in the following employment classifications are eligible to request FMLA leave as described in this policy:
 - 1. Regular full-time employees who have worked for the Town at least 52 weeks (12 months).
 - 2. Regular part-time employees who have worked for the Town at least 1,250 hours in the previous 12 months.

- B) Eligible employees should make written requests for FMLA leave to their supervisor at least thirty (30) days in advance of foreseeable events and as soon as possible for unforeseeable events or within no more than two working days after learning of the unforeseen need for leave. An employee requesting unforeseen FMLA leave has the obligation to comply with the Town's regular reporting requirements.

- C) It is the responsibility of the employee to notify the Human Resources Department of the need to take leave for a serious health condition. The notice must make clear that the serious health condition makes the employee unable to perform his job functions.

- D) Department Heads must notify the Human Resources Department of all absences for medical leave reasons that exceed three working days, regardless of whether sick leave, vacation leave, or unpaid leave is used. The Human Resources Director will determine if the absence is under the FMLA.

SECTION 4-3-3 - VERIFICATION OF NEED

Employees requesting family leave related to the serious health condition of a child, spouse, or parent shall be required to submit a health care provider's statement verifying the need for family leave to provide care, its beginning and expected ending dates, and the estimated time required. FMLA leave may be used to maintain a reduced workweek for intermittent leave for preplanned and pre-scheduled medical treatment. Certification by a licensed health care provider shall be required. Certification forms are available from the US Department of Labor or at www.dol.gov.

SECTION 4-3-4 - MAXIMUM LEAVE TIME AVAILABLE

- A) Eligible employees may request up to a maximum of twelve (12) weeks of FMLA leave within any 12-month period. Any combination of family leave and medical leave may not exceed this maximum limit. An eligible employee who is a spouse, son, daughter, parent, or next of kin of a current member of the Armed Forces, including a member of the Nation Guard or Reserves, with a

serious injury or illness may be granted up to a total of 26 workweeks of unpaid leave during a single 12 month period to care for the service member.

- B) Married employee couples shall be restricted to a combined total of twelve (12) weeks leave within any 12-month period for childbirth, adoption, or placement of a foster child, or to care for a parent with a serious health condition.
- C) If this period of absence proves insufficient, consideration may be given to a written request for an extended (administrative) leave without pay, which shall not exceed one year.

SECTION 4-3-5 - HOW FMLA LEAVE IS MEASURED

The Town uses a rolling 12-month period measured backward from the date an employee uses any FMLA leave. Each time an employee uses FMLA leave, the remaining leave entitlement is the balance of the 12 weeks that has not been used during the immediately preceding 12 months.

SECTION 4-3-6 - USE OF ACCUMULATED LEAVE

Employees are required to first use any accumulated paid leave time before taking unpaid FMLA leave.

SECTION 4-3-7 - CONTINUATION OF HEALTH INSURANCE BENEFITS

- A) Subject to the terms, conditions, and limitations of the applicable plans, the Town of Camp Verde will continue to provide benefits for health insurance for the full period of the approved family or medical leave in accordance with COBRA coverage mandates.
- B) The employee will continue to be responsible for the cost of supplemental benefits and dependent care coverage if continued coverage is desired. Payments must be made by the 10th day of each month. If payment is more than 30 days overdue, coverage will be dropped.

SECTION 4-3-8 - SUSPENSION OF ACCUMULATION OF OTHER TOWN-PROVIDED BENEFITS

- A) Employees on FMLA who are receiving vacation or sick leave pay will continue to be paid for holidays while on leave and accrue vacation and sick leave.
- B) Employees who are on unpaid FMLA leave will have vacation and sick leave accrual and holiday benefits suspended during the unpaid leave and will resume upon return to active employment.
- C) Use of FMLA leave is not considered a break in service when determining eligibility for vesting or for participation in a benefit.

SECTION 4-3-9 - RETURN TO WORK

- A) So that an employee's return to work can be properly scheduled, an employee on FMLA leave is required to provide the Town with at least two days' advance notice of the date the employee intends to return to work.
- B) If the employee was on FMLA leave due to a serious health condition, before returning to work, the employee must provide a work release from the health care provider attesting that they are able to resume work. The work release must be accepted by the Human Resources Department prior to the employee returning to work.

- C) When a FMLA leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified.
- D) The only exception may be for a highly compensated position. The employee in this position will be notified when he/she requests leave that the Town may choose to fill the position because it is key to the Town's operations. If the Town chooses to fill the position, it will first offer the employee the opportunity to return to work immediately.

SECTION 4-3-10 - INTERMITTENT LEAVE OR REDUCED WORK WEEK

- A. In certain cases, intermittent use of the 12 weeks of FMLA leave or a part of a reduced workweek may be allowed by the Town. Employees wishing to use leave intermittently or to utilize a reduced work week schedule for FMLA birth, adoption, or foster care purposes will need to discuss and gain approval of such use from the employee's Department Head and the Human Resources Department.
- B. If the need is for preplanned and prescheduled medical treatment of the employee, the employee is responsible for scheduling the treatment in a manner that does not unduly disrupt the Town's operations. Intermittent or reduced workweek use of FMLA is subject to medical certification by a license health care provider.
- C. In some cases, the Town may temporarily transfer an employee using FMLA leave intermittently or on a reduced workweek schedule to a different job with equivalent pay and benefits if another position would better accommodate the intermittent or reduced workweek schedule.

SECTION 4-3-11 - TERMINATION OF EMPLOYMENT

- A) If an employee resigns voluntarily before returning from FMLA, health insurance benefits are subject to COBRA law.
- B) If an employee fails to report to work promptly at the end of the approved leave period, the Town will assume that the employee has resigned.

POLICY 4-4 – WORKER'S COMPENSATION

Worker's Compensation is a program of insurance administered by the State Industrial Commission to protect workers, their families and dependents from loss due to a work-related or "industrial" accident or illness without assessing fault or blame for the accident or illness. The program provides for payment of medical bills, physical and vocational rehabilitation and financial compensation while the worker is disabled – either temporarily or permanently – and is unable to work while on industrial leave. It also provides for lump sum payments for particularly serious injuries such as the loss of a finger, eye, foot, etc., and assures death benefits and compensation to the worker's family or dependents in the event the injury is fatal. Industrial leave is defined as leave to obtain treatment and/or recuperation necessitated by an injury or condition sustained in the course and scope of employment with the Town of Camp Verde as determined by an authorized health care provider. Industrial leave is not accumulated but is available through the State Industrial Commission in conjunction with state law.

SECTION 4-4-1 - REPORTING REQUIREMENT

SECTION 4-4-2 - PAYMENTS

- A) Worker’s Compensation does not pay for the first seven days off unless the total number of days off exceeds 14 days. If the claim is approved for payment, paid leave used for the injury or illness may be reinstated to the employee’s leave balance record upon reimbursement to the Town of the amount paid.
- B) Worker’s Compensation pays a State-mandated percentage of the employee’s daily wage.

SECTION 4-4-3 - USE OF PAID LEAVE WHILE ON INDUSTRIAL LEAVE

- A) An employee receiving disability payments under the Worker’s Compensation laws may use accumulated paid leave in order to continue to maintain regular income. Arrangements to maintain regular income may be made through the Human Resources Department.
- B) Sick leave or vacation leave may be used to supplement any payments that an employee is eligible to receive from State disability insurance. The combination of any such disability payments and Town paid sick or vacation leave benefits shall not exceed the employee’s normal weekly earning. The purpose of this policy is to ensure that an employee does not suffer an economic hardship as a result of a work-related injury or illness; however, the employee should not realize a financial gain as a result of injury or illness.
- C) Lost time for worker’s compensation in excess of three days will run concurrent with Family Medical Leave (FMLA).
- D) No employee shall receive sick leave or use vacation time as a result of a job injury, illness, or disease incurred while employed by another employer.

SECTION 4-4-4 - RETURN TO WORK

An employee returning from Worker’s Compensation leave must notify their supervisor of their intent to return to work, and must provide a work release from the health care provider attesting that they are able to resume their normal work duties or modified duties. The work release must be accepted by the Human Resources Director prior to the employee’s return to work.

POLICY 4-6 SPECIAL LEAVE OF ABSENCE

Employees may be granted a special leave of absence as approved by the Town Manager. An employee shall not use a special leave of absence to work for another employer or to pursue self-employment. Leaves are designed to accommodate employees who have critical personal situations only. An employee who fails to return to work on the date specified in the leave request without receiving an extension in advance is considered to have resigned.

SECTION 4-6-1 - SPECIAL LEAVE OF ABSENCE WITH PAY

- A) In some cases, an employee may be granted a special leave with pay in the event the Town Manager or Mayor grants a temporary emergency leave for a natural disaster or other situation that may jeopardize the safety and/or health of employees, such as weather, fire, flood, or pandemic, or in a declared state of emergency, disaster, or grief.
- B) In some instances, it may be necessary to remove an employee from the workplace to allow for an investigation by the Town into matters concerning possible discipline of the employee and/or other Town employee(s). This type of leave is not disciplinary action, and in general, should not exceed fifteen (15) working days without written approval from the Town Manager or the Town Manager's designee.

Such leave may be granted only after accrued vacation leave and compensatory leave has been exhausted.
- B) Under extenuating circumstances, the Town Manager may grant an extension of a leave period upon written request by the employee. Such extension may not exceed 3 months and will be based on departmental, as well as employee consideration.
- C) Any employee who has been granted a leave without pay shall retain his/her original date of hire, but shall not accumulate any vacation or paid leave time during the unpaid leave of absence, nor be entitled to holiday pay.
- D) Any employee who is on a leave without pay at the time of his/her performance evaluation anniversary may not be eligible for a regular annual review of job performance nor for an

adjustment in pay until the performance evaluation anniversary immediately following the return to active employment.

- E) Employees on leave without pay may elect to continue group insurance coverage. However, the employee must bear the entire cost of both employee coverage and dependent coverage. Payment must be submitted to the Finance Department by the 10th of each month to ensure continued coverage.
- F) The Town is not obligated to hold the employee's position open while the employee is on leave without pay. The position may be filled on a temporary or regular basis. The employee's right to return to the Town from leave without pay shall depend on the availability of an appropriate position.

official in any investigation involving the Town's electronic communications system is a violation of the policy and shall result in discipline, up to and including termination of employment.

SECTION 5-4-5 - CONSEQUENCES OF PROHIBITED USE

Any violation of this policy shall result in disciplinary action, up to and including termination of employment.

POLICY 5-5 - DISCIPLINARY SYSTEM

Effective discipline is a positive process when its purpose is to train or develop by instruction. Whenever appropriate, training is encouraged as a means of improving employee productivity and effectiveness through positive and constructive methods. However, improper employee conduct shall be considered good cause for disciplinary action.

Each supervisor shall have the responsibility and authority, with approval of the Department Head, to administer appropriate discipline to his/her subordinates using a positive progressive discipline process as a corrective measure.

SECTION 5-5-1 - DISCIPLINE PROCESS

- A) In general, the concept of progressive discipline means that a series of increasingly severe disciplinary actions will be administered to correct employee behavior or performance.
- B) This shall only be a guideline for supervisors, however. Not all discipline will begin with counseling or reprimands.
- C) The totality of the circumstances will dictate the appropriate level of discipline for each incident. Review of the particular facts and circumstances, such as the severity of the offense or an employee's disciplinary history, regardless of whether for the same offense, may indicate that more severe disciplinary measures, up to and including immediate termination, are appropriate.
- D) Whether or not the procedures are followed, all employees are subject to discharge when, in the sole opinion of management, an employee's job performance or conduct threatens the wellbeing of the Town, its employees or its citizens.

SECTION 5-5-2 - DEFINITIONS

- A) Employee: Includes all Town employees of any status or classification, except elected officials.
- B) Initial evaluation employee: New employee whose continued regular employment depends upon the successful completion of an initial evaluation period. An employee may be terminated at any time with or without cause during the initial evaluation period.

- D) Pre-action meeting: A meeting with the employee, the employee's representative, if desired, and the Department Head where the employee may present reasons in writing or orally as to why the proposed disciplinary action should not be taken.

- E) Progressive Discipline: A series of increasingly severe disciplinary actions, ranging from oral counseling to discharge.
- F) Termination: Used interchangeably with the word “discharge,” meaning dismissal from employment. This does not include a layoff.

SECTION 5-5-3 - GROUNDS FOR DISCIPLINARY ACTION

- A) Discharge may occur as the result of a single serious infraction that warrants immediate dismissal, including but not limited to:
 - 1. Dishonesty, including intentionally giving false information, intentionally falsifying records or making false statements when applying for employment, lying to supervisors in connection with the employee’s job; falsifying time sheets for payroll.
 - 2. Discrimination or failure to abide by Equal Employment Opportunity regulations, including sexual or other harassment of a protected class.
 - 3. Reporting to work under the influence of intoxicants or nonprescription/illegal drugs or using such substances while on Town property.
 - 4. Theft or removal of Town money, merchandise, or property, including property in custody of the Town without permission.
 - 5. Possession of firearms, other weapons or explosives not authorized by the Town in Town facilities or while on Town business.
 - 6. Conviction of a felony or gross misdemeanor.
 - 7. Other reasons deemed valid by Town officials.
- B) Other grounds for disciplinary actions, up to and including discharge, include but are not necessarily limited to the following:
 - 1. Being absent from work without permission or failure to report to the supervisor or Department when one is absent;
 - 2. Being habitually absent or tardy for any reason;
 - 3. Failure to follow the orders of one’s supervisor(s);
 - 4. Inability or unwillingness to perform the assigned job; failure to perform assigned work in an efficient or effective manner;

11. Inability to get along with fellow employees so that the work being done is hindered and not up to required levels; speaking critically or making derogatory or false accusations so as to discredit other employees or supervisors;
12. The use of profanity or abusive language towards a fellow employee or member of the general public while performing official duties as a Town employee;
13. Abuse of sick leave privileges by reporting sick when not sick or obtaining sick leave pay falsely or under false pretenses;
14. Divulging or misusing confidential information, including removal from Town premises without proper authorization any employee lists, records, designs, drawings, or confidential information of any type;
15. Improper use of the Town's electronic storage and communications equipment, including without limitation the transmission or reception of any material in violation of federal, state, or local law or regulation or use for non-employment related matters;
16. Such other act, error or omission detrimental to the mission of the Town;
17. Other reasons deemed valid by Town officials.

SECTION 5-5-4 - TYPES OF DISCIPLINARY ACTION

- A) Oral Warning or Counseling: A verbal notice to the employee discussing a problem of relatively minor degree of the employee's performance. The oral warning or counseling shall be given in private. The supervisor shall inform the employee that the supervisor is issuing an oral warning, that the employee is being given an opportunity to correct the condition, and if the condition is not corrected, the person will be subject to more severe disciplinary action. A written notation of the warning is to be included in the employee's personnel file after acknowledgement by the employee (See 5-5-4.B.3).
- B) Written Reprimand:
1. A written reprimand is issued if the initial measure of oral warning is not sufficient or if the infraction is severe enough to warrant a written reprimand in the employee's personnel file.
 2. Written reprimand notices must be issued within ten days after the occurrence of the violation claimed by the supervisor or ten days after completion of an administrative investigation. The contents of this notice will be explained to the employee in an interview.
 3. The original will be signed by the employee and placed in the employee's personnel file. If the employee refuses to sign the acknowledgement, then the supervisor and one other witness shall note on the reprimand that the employee received a copy and refused to sign it.

4. A copy will be given to the employee and included in the employee's department file.
- C) Suspension with Pay: A suspension with pay is involuntary time off without loss of pay as a result of a severe infraction of policies or for repeated violation. For minor infractions, a suspension may often be given after the employee has received a written warning.
1. Employee Decision-Making Suspension: The employee shall be instructed to decide during this "decision-making" suspension if he or she will commit to the correction of each performance deficiency and meet the Town's expected standards. Upon return to work, the employee will be required to submit, in writing, to the Department Head if and how he/she intends to meet the expected standards or has decided to leave the Town's employment. This type of suspension will not exceed one working day.
 2. Town Investigative Suspension: This action may be used to remove an employee from the work site in order to allow for an investigation by the Town of behavior that is suspected of being illegal, that is not in the best interests of the Town, or that places other employees or citizens in jeopardy.
 - a) If charges are substantiated, disciplinary action will be taken in accordance with the nature of the offense and may include recovery of salary and benefits paid during the suspension.
 - b) If charges are unfounded, the employee will be restored to duty and a letter of exoneration will be placed in the employee's official personnel file.
 - c) This type of suspension is normally paid and shall ordinarily not exceed 21 calendar days. The Town Manager, however, may authorize an extension when a comprehensive investigation will require more time to reach a conclusion.
- D) Suspension without Pay: Suspension without pay is involuntary time off with loss of pay. This type of action may be taken when the offense is of a serious enough nature to warrant discharge but when circumstances related to an employee's overall performance would not warrant immediate discharge. The length of suspensions should not exceed 15 working days. The number of days of suspension, whether a specific number of days or indefinitely, will depend on the severity of the infraction.
- E) Involuntary Demotion: An involuntary demotion consists of a reassignment to a lower position classification. This type of action may be taken for serious improper conduct and/or consistent inability to meet job performance expectations. Generally, it will occur in a situation in which it is determined the employee is either unwilling or unable to perform his or her responsibilities of that position. Demotion is not a substitute for dismissal when dismissal is warranted. Employees who are returned to their previous assignments before completing a promotion evaluation period are not considered to have been involuntarily demoted.
- F) Reduction in Pay: A reduction in pay occurs with a reassignment to lower pay within the same position classification. This type of action may be taken as the result of consistent poor employee performance. No change in classification occurs. Reduction in pay is imposed for either repeated poor performance or flagrant violations of rules and regulations and is considered to be a final behavior correction opportunity. Employees who do not successfully complete their promotion evaluation period and are returned to their previous assignment are not considered to have been

disciplined with a reduction in pay. A disciplinary reduction in pay does not include assignments, transfers or reassignments, including those to or from lead positions or special positions.

- G) Discharge:
1. Discharge is the involuntary, permanent removal or termination of an employee from employment. Immediate removal of an employee from the job site pending review for discharge may be warranted in instances involving serious insubordination; theft; serious, illegal, or destructive acts while on the job; or other substantial reasons deemed appropriate by the Town Manager. An employee may also be discharged after repeated offenses of a less serious nature if the supervisor has documented the offenses and appropriate performance-related changes have not resulted from previous progressive disciplinary action. This does not include a layoff.
 2. During the initial evaluation period, employees may be terminated at any time with or without cause and without the right of appeal. Written notification of dismissal shall be signed by the employee who has not completed the initial evaluation period and placed in the employee's personnel file, with a copy given to the employee. Dismissal of such employees requires the concurrence of the Department Head, the Human Resources Director, and the Town Manager.

SECTION 5-5-5 - NOTICE TO EMPLOYEE

An employee who has completed the initial evaluation period shall receive a 5-day written notice of intent whenever the Town intends to take a disciplinary action resulting in termination, reduction in pay, demotion, or suspension without pay. Notice under this section is not required for layoffs, assignments, transfers, or reassignments, including those to or from lead positions. The notice will generally provide the following information:

- A) Notice of the intended disciplinary action and the proposed date of implementation.
- B) The reasons for the action.
- C) The date and time, not more than 3-days after the notice is given to the employee, of a pre-action meeting with the Department Head (or his or her designee), for the employee to present reasons in writing or orally as to why the proposed disciplinary action should not be taken.
 1. The affected employee may have a non-attorney co-worker of the employee's choosing present during the pre-action meeting. The co-worker may not speak on behalf of the employee, but may advise the employee during the meeting.
 2. Any relevant information presented by the employee regarding the proposed disciplinary action shall be considered.
- D) Failure by the employee either to attend the pre-action meeting or to timely submit reasons in writing why the proposed disciplinary action should not be taken will be deemed a waiver of the employee's right to do so and the proposed disciplinary action will be implemented as written.

The medical care provider must certify that the employee may return to work with restrictions on physical requirements of the job in question, and that those restrictions are not expected to last more than 180 days.

SECTION 7-2-1 TEMPORARY AND PERMANENT RESTRICTIONS

A restriction identifies a physical condition that prevents an employee from performing the full scope of his or her job duties as outlined in the job description. There are two types of restrictions.

- A) Temporary restrictions are defined as those limitations placed on an injured employee by a physician that are of a relatively short duration (less than 180 days) and the employee is expected to fully recover and to return to normal working conditions.
- B) Permanent restrictions are defined as those limitations placed on an employee by a physician that are expected to be long term (more than 180 days) or from which recovery is not expected. Employees who fall into this category are not eligible for participation in the Return-to-Work Program. They may elect to seek alternative employment or file for a "reasonable accommodation" under the Americans with Disabilities Act.

SECTION 7-2-2 - ALTERNATIVE JOB PLACEMENT

- B) A secondary consideration will be alternative placement into another department or another assignment. That may mean an assignment that is a lower classification than the normal job assignment and commensurate wages for the duration of the temporary assignment.
- C) A critical consideration is to place the employee in a position to perform productive work that is both useful to the Town and achievable within the restrictions placed on the employee. Under no circumstances will a position be created solely for the purpose of providing work for an employee who is eligible to return to work under a temporary restriction. If there is no work available within the employee's department or in another department or assignment, the employee may remain on industrial leave.
- D) An employee shall not be returned to work to any job that is punitive in nature.

SECTION 7-2-3 - PLACEMENT NOT SUBSTITUTE FOR FILLING VACANCIES

Alternative placement will not be used to avoid the filling of vacancies within the department in question.

- B) If authorized to participate in the Return-to-Work Program, the employee will be notified by the Department Head of the date he or she is expected to return to work.
- C) In no case will an employee authorized to participate in the Return-to-Work Program be placed in an area that will pose a health or safety risk to the Town, other staff, or the injured employee.

POLICY 7-3 - NO SMOKING

Smoking is prohibited throughout the Town's buildings and immediate workplace and in Town vehicles. This policy applies equally to all employees and visitors.

SECTION 7-3-1 - SMOKING AREAS

SECTION 7-3-2 - SMOKING BREAKS

Smoking breaks shall be limited to the same number of breaks that other Town employees receive.

POLICY 7-4 - VIOLENCE IN THE WORKPLACE

SECTION 7-4-1 - CONSEQUENCES OF PROHIBITED CONDUCT

Any threats or acts of violence made by an employee against another person's life, health, well-being, family, or property are entirely unacceptable and are cause for immediate dismissal, even for a first offense. This policy holds for any threats made on Town property, at Town events or under other circumstances that may negatively impact the Town's ability to conduct its business.

SECTION 7-4-2 - INFRINGEMENT ON SAFE WORKPLACE

- A) Acts or threats of violence, whether made directly or indirectly, explicitly or implied, by words, gestures, or symbols, infringe upon the Town's right or obligation to provide a safe workplace for its employees and are prohibited.

POLICY 7-5 - DRUG AND ALCOHOL FREE WORKPLACE

It is the policy of the Town of Camp Verde that its employees be free of substance and alcohol abuse. Consequently, the use of illegal drugs by employees is prohibited. Further, employees shall not use alcohol during work hours or engage in "prohibited conduct" as defined in this policy. The overall goals of this policy are to ensure a drug-free and alcohol-free work environment and to reduce accidents, injuries, and fatalities.

SECTION 7-5-1 - CONSEQUENCES OF PROHIBITED CONDUCT

Illegal drug use, alcohol abuse, and failure to participate² are grounds for discipline up to and including discharge, even for a first offense.

Formatted: Not Highlight

SECTION 7-5-2 - DEFINITIONS OF PROHIBITED CONDUCT

- A) Illegal Drug Use includes possessing, using, purchasing, distributing, or selling illegal drugs, or reporting to work impaired by illegal drugs. Under this policy, "illegal drugs" include any drug or drug-like substance that:
 - 1. Is not legally obtainable;
 - 2. May be legally obtainable but has not been legally obtained; or
 - 3. Is being used in a manner or for a purpose other than prescribed.
- B) Alcohol Abuse includes possessing, using, purchasing, distributing, or selling alcoholic beverages at any time during the hours between the beginning and ending of the employee's work day, or reporting to work or working impaired by alcohol in any way.
- C) Failure to participate in the Town's drug and alcohol testing policy includes:
 - 1. Failure to submit to drug or alcohol testing;
 - 2. Failure to report immediately for drug or alcohol testing when requested to do so;
 - 3. Refusal to sign all appropriate consent forms; or
 - 4. Any other failure to cooperate to the Town's complete satisfaction.

SECTION 7-5-3 - USE OF LEGAL DRUGS

- A) While this policy does not prohibit the use of legal drugs, employees are required to notify their supervisors if the use of any legal drug may endanger their safety or the safety of others. For example, an employee should tell their supervisor if they are using any legal drug that warns about drowsiness or cautions against operating heavy machinery after use.
- B) "Legal Drugs" as used in this policy include prescribed and over-the-counter drugs or medications that have been legally obtained and are being used only for the purpose for which they were prescribed or manufactured.

- C) Anyone who fails to notify his or her supervisor about the use of legal drugs will be subject to disciplinary action up to and including discharge, even for a first offense.

SECTION 7-5-4 - TYPES OF TESTS

The Town has implemented four circumstances for drug and alcohol testing.

A) Pre-employment Testing

1. Candidates selected for "safety-sensitive" positions must submit to a drug test. Any potential hire who tests positive for drug use will be ineligible for employment with the Town.
2. "Safety-sensitive" positions include those positions involving work that may pose a great danger to the public. (i.e. peace officers, work involving the operation of dangerous instrumentalities, any position that requires an employee to be behind the wheel of a car for a substantial part of their job, jobs requiring a CDL).

B) Post-Accident Testing for all employees

1. Any employee, while on-duty and driving a Town vehicle, is subject to drug and alcohol testing any time he or she is involved in an accident where:
 - a) A fatality is involved;
 - b) The driver receives a citation for a moving violation arising from an accident where anyone involved requires immediate treatment for an injury away from the accident scene; or
 - c) Any vehicle involved incurs "disabling damage" (for example, must be towed away).
2. Following any accident, the employee must notify the Town as soon as possible.
3. Any time a post-accident drug or alcohol test is required, it must be performed as soon as possible following the accident. If no alcohol test can be made within 8 hours, attempts to perform an alcohol test shall cease. If no urine collection can be obtained for purposes of post-accident drug testing within 32 hours, attempts to make such collection shall cease.
4. In the event that federal, state, or local officials conduct tests for the use of alcohol or controlled substances following an accident, these tests may meet the requirements of this policy, provided the tests conform to applicable federal, state, or local requirements. The Town may request or require testing documentation from such agencies and may ask or require the employee to sign a release allowing the Town to obtain such test results.
5. In the event a driver is so seriously injured that he or she cannot provide a sample of urine, blood, breath, or saliva at the time of the accident, the driver must provide necessary authorization for the Town to obtain hospital records or other documents that would indicate the presence of controlled substances or alcohol in the driver's system at the time of the accident.

- C) Random Testing for certain Safety-Sensitive employees
1. Any employee who holds a CDL or assigned to a Narcotics Enforcement Unit shall be subject to random drug and alcohol testing. The Town or its agents will submit all the required names to a random selection system. The random selection system provides an equal chance for each employee to be selected each time random selection occurs. Random selections will be reasonably spread throughout the year.
 2. To meet DOT requirements, the Town will test the average number of employee positions requiring a CDL in each calendar year at a rate established by the Department of Transportation (DOT) for the given year.
 3. Random selection, by its very nature, may result in employees being selected in successive selection or more than once a calendar year. Alternatively, some employees may not be selected in a calendar year.
 4. If an employee is selected at random for either drug or alcohol testing, a Town supervisor will notify the employee. Once notified, every action the employee takes must lead to a collection. If the employee engages in conduct that does not lead to a collection as soon as possible after notification, such conduct may be considered a refusal to test.
- D) Reasonable Suspicion Testing
1. The Town will require an employee to submit to alcohol and/or drug testing when there is reasonable suspicion to believe that the employee is engaged in illegal drug use or alcohol abuse.
 2. For purposes of this policy, "reasonable suspicion" will be based on specific observations concerning the appearance, behavior, speech, or body odors of an employee, including, without limitation, slurred speech, red eyes, dilated pupils, incoherence, unsteadiness, unexplained carelessness or accidents, erratic behavior, inability to perform the job and other unexplained behavior changes.
 3. These observations will be made by a supervisor, a peace officer, or other Town official who has been trained to recognize signs of alcohol and/or drug use.

SECTION 7-5-5 - AUTHORIZATION FOR PREVIOUS TEST RECORDS OF CDL HOLDERS

As a condition of employment, any employee who is required to hold a commercial driver's license (CDL) for the position shall sign a release authorizing the Town to obtain drug and alcohol testing records from the employee's previous employers for the previous two years. The Town will verify that no prior employer of the employee has records indicating a violation of any DOT rule pertaining to controlled substance or alcohol use within the previous two years.

SECTION 7-5-6 - DRUG TESTING

Drug and alcohol testing will be performed through means of breath, urinalysis or blood testing. Urinalysis or blood testing will test for the presence of drugs and/or metabolites of the following controlled substances: marijuana, cocaine, opiates, amphetamines, phencyclidine (PCP) and all other controlled substances.

- A) The collection of samples shall be performed under reasonable and sanitary conditions.
1. Sample testing shall comply with scientifically accepted analytical methods and procedures. Drug testing shall be conducted at a laboratory approved or certified by the United States Department of Health and Human Services. Breath tests will be administered on an instrument approved by the Arizona Department of Health Services or the United States Department of Transportation.
 2. Sample collections shall be documented and these documentation procedures shall include the following:
 - a. Samples shall be labeled in order to reasonably preclude the possibility of misidentification of the person tested in relation to the test provided.
 - b. Samples shall be split at the time they are collected and both splits shall be sent to the lab together.
 - c. The person being tested shall present reliable individual identification to the person collecting samples.
 - d. Sample collection, storage, and transportation shall be performed in a manner reasonably designed to preclude the possibility of sample contamination, alteration or misidentification.
 - e. Drug use testing shall include confirmation of any positive drug test results for employees. Confirmation of positive drug test results for employees shall be by use of a different chemical process than was used in the initial drug use test. The second or confirmatory drug use test shall be a chromatographic technique such as a gas chromatography-mass spectrometry or another comparable reliable analytical method.
 - f. A drug use test shall be considered positive after the test is reviewed by a medical review officer and the MRO makes a determination. Information regarding the screening cutoff levels for various drugs will be made available upon request. An alcohol impairment test shall be considered positive when an employee's breath alcohol amount tests at .02% or greater.

- ~~A) Laboratory Testing: The procedure starts with the collection of a urine or blood specimen.~~
- ~~1. Specimens will be submitted to a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory for testing.~~
 - ~~2. As part of the collection process, the specimen provided will be split into two vials; a primary vial and a secondary vial.~~
 - ~~3. The SAMHSA certified laboratory will perform initial screening on all primary vials.~~
 - ~~4.1. In the event that the primary specimen tests positive, a confirmation test of the specimen will be performed prior to the laboratory reporting the results to the Town.~~

- B) Laboratory Results: All laboratory results will be reported to the Human Resources Director for the Town. At the Human Resources Director's sole discretion, a determination will be made as to whether a result is positive or negative.
1. Negative test results will be reported to the Department Head.
 2. Before reporting a positive test result, the Human Resource Director will contact the employee to discuss the test results. After being contacted, the employee shall report to the Human Resources Director immediately. If the employee fails to report to the Human Resources

- D) Request for Results: Any individual who has submitted to drug testing in compliance with this policy is entitled to receive the results of the drug testing upon a timely written request.

SECTION 7-5-7 - ALCOHOL TESTING

- A) The Town will perform alcohol testing using a device that is on the National Highway Traffic Safety Administration's (NHTSA) conforming products list (CPL) and meets the DOT's testing requirements. This may be a breath-testing device, a saliva-testing device or any other approved device and may be provided through a trained supervisor or the Camp Verde Marshal's Office.
1. The device will be operated by a technician who is certified and trained on the specific device he or she will be operating.

Background Information: In 2012 the State Legislature introduced and passed HB 2826 requiring that beginning in 2014, cities and town must hold all candidate elections (except recall elections and special elections to fill a vacancy) in the fall election cycle of even-numbered years. To the Town of Camp Verde, that meant that starting in 2014 we would no longer be able to hold our regular candidate elections in odd numbered years. This law however did not change our regular 2013 candidate election which was held as scheduled.

The League of Arizona Cities and Towns along with the Town Attorney recommended not to extend or shorten any Council members terms until the legislature could meet in 2013, so they could correct the issue.

When the Legislature met in 2013, they approved SB 1454 that included the verbiage that term limits could only be lengthened, not shortened.

In 2014 the Town of Camp Verde approved Resolution 2014-932 extending the terms of the sitting Mayor and Councilmembers to comply with ARS 16-204.

Recommended Action (Motion): Possible direction to staff to publish an open letter to the community explaining why the terms were extended and authorization to pay for publication costs.

Instructions to the Clerk: None

RESOLUTION 2014-932

**A RESOLUTION OF THE MAYOR AND COMMON COUNCIL
OF THE TOWN OF CAMP VERDE, YAVAPAI COUNTY, ARIZONA,
EXTENDING THE TERMS OF THE SITTING MAYOR AND COUNCILMEMBERS
TO COMPLY WITH ARS §16-204, AS AMENDED, RELATED TO CONSOLIDATED
ELECTIONS.**

WHEREAS, The Arizona State Legislature in 2012 amended ARS§16-204 to consolidated all regular candidate elections including those of the Town of Camp Verde, Arizona to the fall of even numbered years; and

WHEREAS, the amendments to §16-204 consolidate elections beginning in 2014; and

WHEREAS, Governor Jan Brewer signed SB1454 allowing municipalities to only extend terms of elected officials; and

WHEREAS, because of the consolidated elections, the Town of Camp Verde cannot hold elections at the end of the terms of the current Mayor and Council members; and

WHEREAS, in order to comply with the consolidation of elections, the Town must adjust the length of terms of the Mayor and members of the Town Council currently so that their terms will expire following the General Election in November of even numbered years;

NOW THEREFORE, BE IT RESOLVED by the Mayor and Common Council of the Town of Camp Verde, Arizona, that:

1. The term of Mayor Charles German will expire when his successor assumes office following the 2016 General Election.
2. The terms of those Council Members (Jessie Jones, Carol German, & Bruce George) whose terms expire in the spring of 2015 will be extended to when their successors assume office following the 2016 General Election.

SB 1137 (candidate; eligibility; fines; penalties)

[Chapter 289](#)

This new law prohibits a filing officer (such as a city or town clerk) from accepting nomination papers from someone who is liable for \$1000 or more in fines, penalties, late fees or administrative or civil judgments resulting from a violation of campaign finance laws. There is an exception for cases in which the fines, penalties or fees are being appealed. The law also requires that the candidate affidavit of qualification include a statement that the candidate has satisfied in full any monetary penalties, fines or judgments arising from a violation of campaign finance laws.

Effective Date: May 7, 2012

SB 1138 (clean elections; trigger reports; repeal)

[Chapter 290](#)

This new law makes several changes to the state statute concerning “clean elections” campaign reporting. Among other things, the law modifies the timeframe within which a pre-election report must be filed and completed. Such a report must be filed not less than four days before any election (as opposed to twelve previously) and must be complete through the twelfth day (as opposed to the twentieth) before the election.

Effective Date: May 7, 2012

HB 2826 (consolidated election dates; political subdivisions)

[Chapter 353](#)

This measure requires that, beginning in 2014, cities and towns must hold all candidate elections (except recall elections and special elections to fill a vacancy) in the fall election cycle of even-numbered years. A county election officer is permitted to use a unified ballot format in all-mail ballot elections. [Note: Because alternative expenditure limitation elections, also known as home rule elections, must be held at the same time as candidate elections, all home rule elections will be on the ballot in the fall of even-numbered years beginning in 2014.]

Effective Date: Provisions are applicable beginning with the 2014 elections.

HB 2033 (public electronic posting; government bodies)

[Chapter 361](#)

This measure makes numerous changes to state elections statutes. Of particular interest to cities and towns are the following provisions:

- Nomination petitions must now be 8.5” X 11” and have ten lines spaced ½” apart.
- Early voters must now be notified of candidate withdrawal by providing, in early ballot instructions, a website address at which prompt updates to information regarding write-in and withdrawn candidates is available. Withdrawals must also be posted at early voting locations.

16-204. Declaration of statewide concern; consolidated election dates; definition

A. The legislature finds and determines that for the purposes of increasing voter participation and for decreasing the costs to the taxpayers it is a matter of statewide concern that all elections in this state be conducted on a limited number of days and, therefore, the legislature finds and declares that the holding of all elections on certain specific consolidated days is a matter of statewide concern. This section preempts all local laws, ordinances and charter provisions to the contrary.

B. For elections held before 2014 and notwithstanding any other law or any charter or ordinance of any county, city or town to the contrary, an election held for or on behalf of a county, city or town, a school district, a community college district or special districts organized pursuant to title 48, chapters 5, 6, 8, 10, 13 through 16 and 33 may only be held on the following dates:

1. Except for regular elections for candidates in a city or town with a population of one hundred seventy-five thousand or more persons, all elections, including recall elections and special elections to fill vacancies, shall be held on:

C. For elections held before 2014, for any city or town, including a charter city, that holds its regularly scheduled candidate elections in even-numbered years pursuant to subsection B, paragraph 2, the term of office for a member of the city council or for the office of mayor begins on or after the second Tuesday in January in the year following the election.

G. Notwithstanding any other law, for an election administered by a county recorder or other officer in charge of elections on behalf of a city, town or school district and that is an all mail ballot election for that city, town or school district, the county recorder or other officer in charge of elections may use a

unified ballot format that combines all of the issues applicable to the voters in the city, town or school district requesting the all mail ballot election.
