# Code Enforcement

## Our Mission

The Town of Camp Verde's Community Development Department manages growth through planning, zoning, and building services while providing professional, competent, and consistent service to the public in order to enhance the community and the lives of the residents while protecting our heritage and natural surroundings in a manner that will maintain a balance between the quality of life and the economic stability of the Town.

## Department Duties/Description

The Code Enforcement Division investigates and seeks compliance of Land Development Code violations; reviews Business and Liquor License applications, along with Special Event Permits; Zoning Clearances are conducted for all building permits both residential and commercial; research and document the Town's defense for any court challenges and provides expert testimony concerning zoning violations; and support of the Board of Adjustments.

### Department Staffing:

Community Development Director (1) (0.15)  
Assistant Planner/Admin. Asst. (.07)  
Chief Building Official (0.18)  
Permit Tech/ Admin. Assistant (0.07)  
Animal Control/Code Enforcement Officer (1.0)

### Accomplishments for the Fiscal Year 2010/2011:

1. With the Nuisance Violation Section being transferred to the Town Code, the processes for enforcement are different than under a Zoning Violation. The Community Development Department revised the enforcement violation documents to now address Nuisance & Zoning Violation individually.
2. A new item was also added to the Town Code for Off-Premise Solicitation (Signage). Documents and processes for enforcement have now been created to address this new item.
3. In the months of February and March of 2012, a significant increase in building permits and Development Standards Reviews has occurred. With this in mind, the Department has reorganized Code Enforcement to bring the entire staff into the process. This collaboration spreads the workloads for enforcement to achieve a better productivity while allowing staff members to complete their daily duties.

### Performance Objectives for Fiscal Year 2011/2012:

1. Continue to learn all aspect for the Incode Software nodules to include permitting revenue tracking, billing and receipting.
2. Through a collaboration with the Marshal's Office and approaching Code Enforcement from a fiscally responsible position, the Community Development Director and the Town Marshal have realized the benefit of sharing staff resources. This collaboration would add the responsibility of Zoning Code Enforcement to the Animal Control Officers of the Town. Ultimately, this would provide a full Code Enforcement Officer by sharing one of the two Animal Control Officers at any one time.

### Significant Expenditure Changes:

- \* By utilizing the Animal Control Officers, for Code Enforcement, a Town vehicle is already available thus reducing cost.
- \* With sharing of the Animal Control Officers, there will always be two (2) officers available for assistance and backup to Animal Control issues when needed.

### Fiscal Notes

- \* By sharing staff resources, duplicate expenses can be reduced by one full time person and a vehicle.

# Special Revenue Funds

# Highway User's Revenue Fund (HURF/Streets)

## Our Mission

The mission of the Streets Division is to provide the highest quality public roads through the prudent use of resources, technology, innovations, teamwork and coordination with Town employees and public agencies. We recognize the importance of preserving the Town's major investment in streets infrastructure. We will continue to educate management, elected officials and the public of the importance of their roads and the potential impact of decisions they make.

## Department Duties/Description

Streets is a division of Public Works, it is funded through the Highway Users Revenue Fund (HURF); the division receives no funding from the General Fund. With a crew of four, and support of the Public Works Project Manager, the division maintains over 110 miles of paved roads, and several miles of dirt roads.

### Department Staffing:

Public Works Director/Engineer (0.20)	Medium Equipment Operator (.96)
Streets Foreman (0.96)	Streets Laborer (.96)
Public Works Project Manager (0.65)	Administrative Assistant (0.40)
Senior Equipment Operator (.96)	

### Accomplishments for the Fiscal Year 2011/2012:

1. Applied for and received Planning Assistance for Rural Areas (PARA) Grant in the amount of \$250,000
2. Applied for and received Highway Safety Improvement Program Grant in the amount of \$75,000
3. Completed purchase of Property for Public Works Yard, cleared site, perimeter fencing, secured buildings and built out for office space and equipment storage at yard
4. Installed battery back-up for two traffic signals
5. Completed: Salt Mine Rd Stabilization, Phase I of Verde Lakes Dr. Culverts and Tres Rios widening

### Performance Objectives for Fiscal Year 2012/2013:

1. Plan and complete the Slurry Seal, Chip Seal programs and Street Striping
2. Identify and participate in training in order to learn new techniques and keep current certifications
3. Work with NACOG for the successful completion of the Hollamon Sidewalk project
4. Work with ADOT for the successful completion of the Finnie Flat Sidewalk Project

### Fiscal Notes:

HURF Revenues are restricted monies received from the State that can only be used for transportation related expenditures. The State provides annual estimates of the amounts that each municipality will receive during the fiscal year. HURF Revenues are derived from gasoline tax and a number of additional transportation related fees. One-half of monies received are distributed based on the population, the other half are allocated based on "county of origin" of gasoline sales. 2012/2013 revenue reflects the anticipated reduced funding. We have planned reserves in the HURF Fund Balance to account for this reduction, and are requesting \$276,833 for the 12/13 operational budget.

### Pavement Management Plan:

The Town of Camp Verde has over 110 miles of paved roadways, valued in excess of \$16,800,000. With proper maintenance and preservation work, this valuable asset has a life of 15 to 20 years. Every \$1.00 spent in the first 15 years of the service life of a paved road, saves the Town \$5.00 in future rehabilitation costs. Any Pavement Maintenance Program will address each of the following:

- Routine maintenance such as street sweeping, clearing roadside ditches/structures, signage maintenance, crack fill and pothole patching.
- Preventative maintenance is the most cost effective. Preventative maintenance includes fog seal, crack seal, chip seal and hot mix overlay.
- Rehabilitation is the structural enhancement that extends the service life of existing pavement by increasing the thickness to accommodate existing and projected traffic conditions.

Money spent to develop and pave our infrastructure assets is wasted when the preventative maintenance portion of the Pavement Management Plan is un-funded. Establishing a chip seal program wherein the Town would chip seal 7.5 miles of road each year on a 15 year rotation would cost approximately \$750,000 per year (based on 2012 costs). This program would allow for the proper preventative maintenance of the Town's current paved roadways, but will require a financial commitment from the General Fund.

#### Accomplishments for the Fiscal Year 2011/2012:

1. No monies have been spent from the 9-1-1 Fund to date.

#### Performance Objectives for Fiscal Year 2012/2013:

1. To enhance 9-1-1 operations

#### Significant Expenditure Changes:

- \* 9-1-1 Expenditures are allocated to allow for 9-1-1 training or other related expenditures.

#### Fiscal Notes:

- \* Due to the State's 9-1-1 budget being drastically reduced, it is unknown at the time of preparing the budget as to whether or not the municipalities will receive distributions in the 2012-2013 fiscal year. The amounts budgeted are in anticipation of the Town receiving the funds as experienced in prior fiscal years.

# Debt Service Funds

## Debt Service Fund

### Department Duties/Description

The Debt Service Fund is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. The Town of Camp Verde currently has three (4) long-term debt obligations; the GADA loan for the Camp Verde Marshal's Office Facility, WIFA for the Sanitary District Funding Agreement, Pledged Revenue Bonds for the public works yard and Chicago Title for the soccer field at Butler Park.

#### Greater Arizona Development Authority (GADA)

The Town of Camp Verde obtained \$2,150,000 from the Greater Arizona Development Authority (GADA) on February 28, 2005 for the purpose of constructing a new Marshal's Department Facility. The funds received were part of an Excise Tax Revenue Bond series in which the Town agreed to use a portion of the Town Sales Taxes collected to make the required payments.

The first payment was made to US Bank on February 1, 2006. Payments are made bi-annually; one payment consists of principle and interest, the other bi-annual payment consists of only interest. The complete Schedule of Payments is listed on page 8-5. The Schedule of Payments for the next four years is as follows:

Date	Amount	Interest	Principal
07/01/2012	\$ 128,600.00	\$ 38,600.00	\$ 90,000.00

#### Camp Verde Sanitary District IGA (WIFA)

The Town of Camp Verde (Town) entered into an Intergovernmental Agreement (IGA) with the Camp Verde Sanitary District (District) on May 17, 2007 wherein the Town pledged \$135,000 per year to the District to be used in connection with the construction of a wastewater treatment plant. The District refinanced the loan originally secured through Koch Financial to secure savings through reduced interest rates. The loan was refinanced with the Water Infrastructure Finance Authority (WIFA).

The Town made the first payment to WIFA on December 22, 2009 and has continued to make the bi-annual payments as scheduled. The complete Loan Repayment Schedule is listed on page 8-6. The Schedule of Lease Payments for the Water Infrastructure Finance Authority for the next four years are as follows:

#### Industrial Ground Lease Purchase

The Town of Camp Verde obtained \$1,005,000 from Pinnacle Public Finance on May 26, 2011 for the purpose of purchasing land for use with the Streets & Public Works departments. The funds received were part of a Pledged Revenue Obligation Bond series in which the Town agreed to use a portion of Town Sales Taxes and State shared revenues to make the required payments.

The first payment was made to US Bank on January 1, 2012. Payments are made bi-annually; one payment consists of principle and interest, the other bi-annual payment consists of only interest. The complete Schedule of Payments is listed on page 8-7. The Schedule of Payments for the next four years is as follows:

#### Chicago Title/NoteWorld (Butler Park)

The Town of Camp Verde purchased the Butler Park Soccer Field on July 28, 1998 for the purchase price of \$42,000. Since that time, the Town has been making monthly payments to Chicago Title/NoteWorld who processes the payments to the mortgage holder.

The Town does not have an amortization schedule for the loan on the Butler Park Soccer Field, only a payment booklet. The entire balance for this loan will be paid off in July of 2013. The expected payoff will be \$5,276 for principal and \$77 for interest and miscellaneous charges.
