Staff Resource: Mike Jenkins

On a motion by Baker, seconded by Roulette, the Council unanimously approved the Memorandum of Understanding between the Town of Camp Verde, the Town of Clarkdale, the City of Cottonwood, the Town of Jerome, the City of Sedona, and Yavapai County, for the purpose of supporting the objective of improving non-motorized trails and trails facilities in the Verde Valley region of Arizona, as generally expressed in the Verde Valley Trails Concept Plan, with Section V deleted.

Asst. Planner Jenna Owens outlined the purpose and background information regarding the proposed Memorandum of Understanding, explaining that the purpose is to encourage a voluntary association of jurisdictions and agencies to work together for the improvement and development of non-motorized trails throughout the Verde Valley, and to support such development of trail opportunities within the mandates of the applicable jurisdictions. Owens then introduced Tammy Dewitt, of Yavapai County Development Services, Planning & Design Review, who is a Planner for Yavapai County, to share a Power Point presentation on the proposed project.

Tammy Dewitt first noted that she is the acting coordinator and facilitator for the group of volunteers and is making the presentation as a representative of the group that was formed to work on a trail plan for the Verde Valley, including members from Camp Verde. The only involvement by Yavapai County was to help with the mapping system of the GIS Department. Ms. Dewitt reviewed the details of the long-range vision of the Regional Trails Concept Plan, including the purpose and goals of the Plan, the background and content, and types of trails, and the meetings held for public input. The Plan provides resources for grant funding or other possible funding for trail development. Ms. Dewitt noted that the proposed document is simply a tool for planning purposes in the future, and that signing it does not imply approval of any of the trails, only support for going ahead with the plan, recognizing the need for trails in the Verde Valley, subject to the required public hearing process. Ms. Dewitt pointed out that Section V, as requested by the P&Z Commission, has been removed from the draft document. She stressed that the Memorandum of Understanding is a non-binding document, requiring no financial commitment. A map indicating the existing and proposed Verde Valley Regional Trails Plan was on display; Ms. Dewitt commented that it is a concept only and not intended for public distribution since it could be misinterpreted at this point.

PUBLIC INPUT

(Comments from the following individuals are summarized.)

Bob Rothrock said he was one of the original proponents of the subject plan and it is gratifying to see it come to fruition; it is a good plan and he urged that the Council support it.

Diane Lovett said that she has spent the last 2-1/2 years working on the plan with the group, and noted the important benefits to the Town for connecting the trails, and requested support for the plan.

Bill Stafford noted that he has worked for 29 years for the U.S. Forest Service in the Verde Valley, and was an original member of the trails planning committee for the Regional Trails Plan; he reviewed how the plan offers a great opportunity to have the plans ready for when Government and private funding and citizen opportunities become available. He noted how valuable the plan would be for future planning and development, and urged the Council to approve it.

Charlotte Salsman said that she would go one step farther and begged the Council to support the plan. She described the impressive trails system she found in Denver that provides great health benefits, and said that Camp Verde has the same opportunity, history and scenery to build upon.

Beth Blay commented that the plan is an idea whose time has come; years ago the idea was discussed and she has high admiration for all those who have brought it this far. It is now simply a matter of cooperation and vision and she urged the Council to support it.

Christine Lombardi described an experience she had while riding with a group of horseback riders and encountering another similar group coming from the opposite direction and different cities, all having accessed it from different points. She agrees that the plan is a good beginning.

Suzy Burnside believes that Camp Verde is ahead of the curve, having been the first of the five named towns to name trails as the alternate means of transportation, as adopted in the General Plan. Ms. Burnside reviewed the groundwork done on creating the trails plan for Camp Verde. Ms. Burnside questioned what she believes was an improperly stated agenda item that failed to notice a public hearing on the concept plan. She noted some omissions on the proposed map when comparing it with Camp Verde's trails map, and questioned how it relates to the General Plan.

Following the comments by Ms. Burnside, and prior to determining that there was no further public input, the Council discussed with Ms. Burnside her question of the agenda item not being properly stated, together with her perception that the subject MOU had been previously approved in 2007 by resolution. During the discussion, with input from Ms. Dewitt and staff member Jenkins, it was reiterated and confirmed that the proposed plan is just the start in response to the need for a master trails plan for Yavapai County and the MOU is a tool to express support for the proposed plan; Camp Verde would still have jurisdictional control over what goes on within the Town limits. Town Manager Martin said he understands that the purpose of the proposed MOU is to support the concept of the trails plan; it is not a static document but an agreement to cooperate in order to move forward with the purpose and goals. The intent is not to adopt the draft plan or the maps, but only to approve the MOU, agreeing to cooperate with the other entities, which Martin suggested would be part of the Motion to approve.

There was no further public input.

Further Council discussion included the understanding that the 2007 resolution previously referred to was not meant to be an MOU. It was pointed out that the proposed MOU would be subject to change by a vote of the representatives, which led to a lengthy discussion on determining or formally appointing a representative to represent the Town, and the apparent discontinuing of a representative attending meetings on behalf of the Town as provided by a previous resolution. The issue of the disbanding of the Trails Commission as a factor in losing a representative was also pointed out, as well as the need to ensure consistency in following the provisions of formal actions. In response to a question about the possibility of the Plan leading to a property tax, Ms. Dewitt commented that there are grant funds available for trails, and the idea of a property tax has nothing to do with the proposed document. As for the possibility of some trails being closed, Ms. Dewitt noted that some of the existing trails are not official; approval of the MOU is not signing off on any trails; there will always be the public process that will be in place, and that would include reinserting or adding trails to the map. Martin suggested that changes to the MOU can be made and simply placed on the Consent Agenda and presented to Council for approval. Ms. Dewitt added that the Council will be kept advised and updated on the Verde Valley Trails Concept Plan as it is developed in anticipation of creating a Master Trails Plan.

There was no further public input.

4.c) Possible approval of and authorization for the Mayor to sign a letter to Governor Brewer that supports Executive Order 2010-12 that establishes the Arizona Commerce Authority.

On a motion by Garrison, seconded by Baker, the Council unanimously approved and authorized the Mayor to sign a letter to Governor Brewer that would support Executive Order 2010-12 that establishes the Arizona Commerce Authority.

Garrison explained that she sits on the Economic Development Committee for NACOG, and there was one long meeting on the new Arizona Commerce Authority. During that meeting a chart was distributed on

formatting the new organization, but there was no indication of the individuals who would be filling any of the positions and there were many unanswered questions. Garrison said she will give the booklet from the meeting to the Town Clerk for anyone who may be interested in reviewing it. Garrison said she is concerned about moving forward without key information being available. German commented that she also had concerns about creating a new authority, or another bureaucratic entity. However, she noted that there is no compensation involved for the members, and she feels she could support it. Baker said she feels that the new authority appears to be replacing what used to exist as the Department of Commerce, and may work much better and in a better form.

6. **Council Informational Reports.**

German said she attended the Superintendent's Committee meeting this morning for another lively discussion on good topics.

Baker expressed her regret that she had been out of town and had missed attending Fort Verde Days, which she understands was a another great event

Garrison commented that the meeting on Economic Development basically involved the document that she had identified previously; the entire program for the Tourism Committee is still being revamped, trying to incorporate every small town and big city in Northern Arizona and put them on an even playing field.

Whatley reported that she attended the ZORC meeting on September 27th; it was very informational and helpful regarding P&Z matters. Whatley noted that a recommendation to the Town Manager followed the Audit Committee meeting on August 12th. She added that she had enjoyed the Fort Verde Days parade sitting on top of the fire truck; she had a great time during the event thanks to Camp Verde Promotions.

Burnside said he had enjoyed attending the Yavapai-Apache Nation's farewell event for the outgoing officers and their wives and families. Burnside reported on his attendance, together with Russ Martin, at the Governor's State Economic Convention; he said it has become apparent that they recognize there is more to the State than Maricopa County, Phoenix and Tucson, and that the rural areas are a major asset in the State of Arizona. Burnside commented on the Town Clerk's Citizen's Academy event and the Grand Opening of Jerome's State Park. He reported that he is leaving tomorrow on vacation and will not be back until November.

7. **Call to the Public for Items not on the Agenda.**
(Comments from the following individuals are summarized.)

Barbara Rice, Camp Verde Fire Department, reported on the new law that will become effective December 1st that will ban the sale of fireworks. Ms. Rice spoke at length on the many meetings held among municipal representatives to discuss that new law and the difficulty of trying to regulate or prevent the use of fireworks, and whether to consider adopting an ordinance in that regard, and the problem of enforcement. Ms. Rice commented that she was bringing the issue to the attention of the Council in order to open up a discussion on it and the need to look at it as a community issue, and even a zoning issue; she also pointed out that the hazards of the use of fireworks are obvious, whether in unincorporated or residential areas.

Linda Buchanan issued an invitation to everyone to participate in all-day activities at the Lacey Farm on Saturday, November 6th from 8:30 through 3:00 p.m., and will be free of charge. It will be a workshop on "Protecting Verde Valley Agricultural Land," brought by the Central Arizona Land Trust, and co-sponsored by several municipal and educational entities. A breakfast and light lunch will be served, and an RSVP to 634-6530 is requested.

Steve Goetting distributed copies of a flyer announcing the October 30th event featuring a showing of "Kingdom of the Spiders," the movie that was filmed in Camp Verde years ago; Mr. Goetting reviewed some of the proposed activities and sales of items, and said that he hopes this will be an annual event, bringing together those who participated in the original film.

Tom Pitts, from Jerome, thanked the Mayor for his participation and attendance at meetings in connection with the efforts to keep the State Parks open, and his attendance at the re-opening of the Jerome State Park.

Justin Wirth spoke again to reiterate his ongoing efforts to work with the Town and Parks & Rec on the issue of the project that he has been promoting.

Pete Roulette announced that beers and brats and wine-tasting will be offered at a special event this Saturday at Camp Verde Mercantile, 74 Hollamon Street, starting about noon.

Robin Whatley spoke in connection with the Jerome State Park event and said she had heard many expressions of appreciation for Mayor Burnside's comments.

Meeting Date: November 17, 2010

Meeting Type: Regular Session

Consent Agenda **Regular Business**

Reference Document: IGA

Agenda Title (be exact):

Discussion, consideration, and possible approval of an Intergovernmental Agreement between the Governor's Office of Economic Recovery and the Camp Verde Marshal's Office to execute and administer a grant in the amount of \$47,500.00 to purchase a K9 vehicle and associated equipment. Because unanticipated grant revenue funds/expenditures were not allocated in the FY 10/11 Budget, approval will necessitate a reallocation of \$47,500 from the COPS line item in the Federal Grant Funds to a line item for the Economic Recovery Grant that the Town has been awarded.

Purpose and Background Information:

The Governor's Office recently made grant opportunities available to all Arizona law enforcement agencies through the Governor's Public Safety Stabilization Program. The Camp Verde Marshal's Office submitted a proposal and was awarded \$47,500.00 to purchase a K9 vehicle and associated equipment. This is a cost reimbursement grant with no match required.

The Finance Department recommends that we re-allocate \$47,500.00 from the COPS grant line item in the Federal Grants Fund (Fund 08) to a line item for the Economic Recovery grant. We were not awarded any fund through the COPS grant, so we will not be using funds that were budgeted in the COPS grant line items.

Recommendation (Suggested Motion):

Move to approve the Intergovernmental Agreement between the Governor's Office of Economic Recovery and authorize the Camp Verde Marshal's Office to execute and administer the grant, noting that approval will require the re-allocation of \$47,500.00 from the COPS grant salary line item in Fund 08, the Federal Grants fund, to line item "Economic Recovery Grant" established in Fund 08, the Federal Grants Fund, for the expenditure of funds received through the Economic Recovery Grant.

AND

CONTRACT #OER-11-IGA-GS-134**

This INTERGOVERNMENTAL AGREEMENT (the "AGREEMENT") is entered into by and between the Governor's Office of Economic Recovery ("GOER"), established by Governor Brewer to oversee and discharge funds granted under the American Recovery and Reinvestment Act of 2009 ("Recovery Act" or "ARRA"), and located at 1700 West Washington, Suite 300, Phoenix, Arizona 85007, and the Camp Verde Marshall's Office, located at 646 S. First St., Campe Verde, AZ 86322 in accordance with A.R.S. § 41-2701 et seq., authorizing the State of Arizona, GOER to execute and administer grants for Title XIV of the ARRA, known as the State Fiscal Stabilization Fund (as amended by Public Law 111-8 (H.R. 1105), the Omnibus Appropriations Act, 2009; Division A, Section 523; March 11, 2009; 123 Stat. 524). 4. GOER may monitor the jurisdiction's compliance with ARRA requirements regarding Recovery Act funds, in addition to any monitoring that other oversight agencies may decide to conduct. The jurisdiction shall cooperate with GOER regarding all monitoring activities related to ARRA funds. The jurisdiction may be required to provide information, data and supporting documentation of their ARRA transactions to GOER. GOER shall not reimburse the jurisdiction for any costs associated with these activities of the jurisdiction.
5. The jurisdiction shall inform GOER when the jurisdiction is contacted by any Federal or State oversight agency regarding Recovery Act dollars within five business days of contact, including:

 - b. When an oversight agency issues reports to the jurisdiction or about the jurisdiction. The jurisdiction shall provide copies to GOER, if available to the jurisdiction and if requested by GOER, within five business days of GOER's request.
 - c. When the jurisdiction responds to follow-up requests for documents, data and information from oversight agencies. The jurisdiction shall provide copies of the jurisdiction's responses to oversight agencies to GOER, if requested by GOER, within five business days of GOER's request.
6. The jurisdiction shall allow GOER to review the jurisdiction's fraud, waste and abuse prevention programs and ARRA transactions, if requested by GOER in the manner requested by GOER.
7. The jurisdiction shall comply with ARRA requirements as described in the following quotation: "Recipients who have failed to submit a Section 1512 report as required by the terms of their award are considered to be non-compliant. Non-compliant recipients, including those who are persistently late or negligent in their reporting obligations, are subject to Federal action, up to and including the termination of Federal funding or the ability to receive Federal funds in the future." EXECUTIVE OFFICE OF THE PRESIDENT, OFFICE OF MANAGEMENT AND BUDGET, Peter R. Orszag.

B. Method and Terms of Reimbursement

Recovery Act funds will be transferred to the jurisdiction on a cost reimbursement basis upon receipt and approval of a Payment Request Form showing cumulative expenditures by line item. Items to be reported on are, dollar amount requested, name of project worked on, any Davis-Bacon reports and project status compared to timeline submitted. Travel expenses shall be at State rates (see website at www.gao.az.gov/travel/default.asp) and reimbursable at cost. State rates as established by the Arizona Department of Administration, General Accounting Office are made part of this agreement

by reference herein. The jurisdiction will submit to GOER an estimated payment schedule and timeline for the project and the jurisdiction will be responsible for paying vendors associated with this project. GOER may provide to the jurisdiction a master template for the Payment Request Form. GOER will reimburse expenses to the jurisdiction using a warrant, transfer or by direct deposit of Recovery Act funds to the jurisdiction. Method of payment will be at the discretion of GOER and the jurisdiction will allow seven to ten working days for completion of payment of Recovery Act funds after receipt of a Payment Request Form. Any unspent funds associated with this agreement will be refunded to GOER at completion of stated agreement term. Final payment for this agreement will be released upon receipt of any final reporting requirements which are yet to be determined.

C. Reporting and Compliance Requirements

Payments by GOER to the jurisdiction shall be in strict compliance with OMB Circular A-87, Cost Principles for State, Local and Indian Tribal Governments (2 CFR 225 A-87) and shall adhere to the Federal Cash Management Improvement Act (CMIA) and comply with guidelines of the State Fiscal Stabilization Fund (SFSF), established under Recovery Act through Public Law 111-5 (H.R.1) and amended by Public Law 111-8 (H.R. 1105).

In addition, the Recovery Act specifically provides that funds may not be used by any state or local government, or any private entity, for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool. The Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate, to meet the reporting and other requirements of the Recovery Act and other applicable law.

The accounting systems of all recipients and sub-recipients must ensure that funds from any award under this Recovery Act solicitation are not commingled with funds from any other source. Misuse of grant funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under a grant, and civil and/or criminal penalties.

Consistent with the special purposes and goals of the Recovery Act, and its strong emphasis on accountability and transparency, it is essential that all funds from a Recovery Act grant be tracked, accounted for, and reported on separately from all other funds. Recipients must also be prepared to track and report on the specific outcomes and benefits attributable to use of Recovery Act funds.

Funds associated with this AGREEMENT shall only be used to reimburse the jurisdiction for the purposes set forth on section I of this agreement. The jurisdiction must understand and comply with all applicable Federal and State policies, procedures, and requirements related to Recovery Act monies including, but not limited to, the following:

1). **“Buy American Act” Est. 1933**

The recipient understands that this award is subject to the provisions of section 1605 of the Recovery Act (“Buy American Act”). No award funds may be used for non-American sources of iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless the recipient provides advance written notification and upon approval of the federal grant agency, a waiver is issued allowing this activity.

2.) **Davis-Bacon and Related Acts: Wage Rate Requirements**

All applicants should be aware that the Recovery Act contains a provision on wage rate requirements that concerns projects funded or assisted by Recovery Act funds that employ laborers and mechanics. See section 1606 of the Recovery Act for the full text of this requirement.

3.) ARRA Infrastructure Investment: Preference for Quick-Start Activities

Pursuant to section 1602 of the Recovery Act, recipients of funds under this solicitation for infrastructure investment are to give preference to activities that can be started and completed expeditiously, and also are expected to use grant funds in a manner that maximizes job creation and economic benefit. For the details of this requirement, please refer to the text of section 1602 of the Recovery Act.

4.) Recovery Act: Contracts

Generally speaking, the Recovery Act places special emphasis on the use of fixed-price contracts awarded through competitive procedures.

5.) National Environmental Policy Act Requirements

Under section 1609 of the American Recovery and Reinvestments Act of 2009 all recipients must comply with any applicable environmental impact requirements of the National Environmental Policy Act of 1970 (NEPA), as amended, (42 U.S.C. 4371 et seq.), 40 CFR parts 1500 through 1508 and any State government requirements that implement NEPA.

III. EFFECTIVE DATE, TERM, TERMINATION, RENEWAL, AMENDMENT

A. Effective Date

This AGREEMENT shall become immediately effective only upon the following: (1) execution by GOER and the jurisdiction, and (2) execution by GOER's and the jurisdiction's attorneys, whose execution shall determine that this AGREEMENT is in proper form and within the powers and authority granted to GOER and the jurisdiction under the laws of the State of Arizona.

DURABLE LIMITED POWER OF ATTORNEY

Whereas the undersigned, **CONSTANCE BASHA VITALE**, (hereinafter "Principal"), designates **MICHAEL J. BASHA** (hereinafter "Agent") as her attorney-in-fact for specific purposes **ONLY**.

KNOW ALL PERSONS BY THIS POWER OF ATTORNEY, that Principal hereby makes, constitutes and appoints Agent as her true and lawful attorney to complete and execute any of the following items on behalf of Principal in her capacity as a shareholder of Bashas', Inc., an Arizona corporation:

1. Any and all applications required by the Arizona Department of Liquor Licenses and Control (the "Department") for the issuance of new licenses or interim permits to any new or existing Bashas', Food City, AJ's Fine Foods, Bashas' Mercado or Eddie's Country Store.
2. Any and all applications required by the Department to effectuate transfers of permits or licenses to, from or between any Bashas', Food City, AJ's Fine Foods, Bashas' Mercado or Eddie's Country Store.
3. Any and all questionnaires and other supporting documentation required or requested by the Department in connection with the foregoing applications.

If **Michael J. Basha**, is unwilling or unable to act as Agent, I name **Donald Francis Felix, Sr.** to act as Agent in **Michael J. Basha's** place and stead.

This Power of Attorney shall be effective upon execution and shall not be affected by the subsequent disability or incapacity of Principal or lapse of time, and shall continue in full force and effect until revoked or terminated by a writing duly signed by Principal. Any action taken by the Department in good faith, without notice of termination of this Power of Attorney, unless otherwise invalid or unenforceable, binds the Principal and the Principal's successors in interest. This Power of Attorney shall not be superseded by any general power of attorney granted by Principal in any other instrument.

The powers and authorities granted herein shall not be affected, impaired or exhausted by any non-exercise or by any one or more exercises thereof. My Agent shall exercise or fail to exercise the powers and authorities granted herein in each case as my Agent, in my Agent's own absolute discretion, deems desirable or appropriate under existing circumstances. I hereby ratify and confirm as good and effectual, at law or in equity, all that my Agent, and any agents and attorneys appointed by my Agent, and their agents, associates and substitutes, may do by virtue hereof. However, despite the above provisions, nothing herein shall be construed as imposing a duty on my Agent to act or assume responsibility for any matters referred to above or other matters even though my Agent may have power or authority hereunder to do so.

If any power or authority hereby sought to be conferred upon my Agent should be invalid or unexercisable for any cause or not recognized by any person or organization dealing with my Agent, the remaining powers and authorities given to my Agent hereunder shall nevertheless continue in full force and effect.

No person, partnership, corporation or legal entity relying upon this power of attorney shall be required to see to the application and disposition of any moneys, stocks, bonds, securities or other property paid to or delivered to my Agent, or my Agent's substitute, pursuant to the provisions hereof.

Each person, partnership, corporation or other legal entity relying or acting upon this power of attorney shall be entitled to presume conclusively that this power of attorney is in full force and effect unless written notice shall have been given by me to such person, partnership, corporation or other legal entity that this power has been revoked, modified or amended.

All acts done hereunder by my Agent after revocation of this power of attorney or after my death shall be valid and enforceable in favor of anyone who relies on this power of attorney and has not received prior actual written notice of the revocation or death. All acts done by my Agent pursuant to this power shall be binding upon me and my heirs, devisees and personal representatives.

This power of attorney shall be governed by the laws of the State of Arizona. Reproductions of this executed original (with reproduced signatures) shall be deemed to be original counterparts of this power of attorney.

The undersigned Principal signs his/her name to this power of attorney as of 12 JUNE, 2001, and, being first duly sworn, does declare to the undersigned authority that I sign and execute this instrument as my power of attorney and that I sign it willingly, or willingly direct another to sign for me, that I execute it as my free and voluntary act for the purposes expressed in this power of attorney and that I am eighteen years of age or older, of sound mind and under no constraint or undue influence.

WHR Properties, Inc. is requesting a Use Permit with no time limit. The property is located at 1472 Horseshoe Bend Drive.

Purpose and Background Information:

Mr. Craig Brandon, agent for WHR Properties, Inc., is requesting a use permit to continue the operation of the RV Park formerly known as American Adventure Campground. The original Resolution 96-02 was approved for fifteen years and expires in 2010. The resort operates twelve months of the year as a membership resort, serving member campers from all over the United States and Canada. The resort includes no more than 159 spaces, a clubhouse, swimming pool, operations/reception center, RV Storage, children's play areas, water system storage, and other amenities for the use of members only. WHR Properties is requesting that the new Use Permit be issued with no time limit. This request comes with the understanding that any future additional, or change in uses, must come before the Planning & Zoning Commission and Town Council for approval.

In the past 15 years, the Community Development Department has not received any complaints. An inspection of the property has been conducted to verify that there have not been any changes to the use of the property.

Due to budget constraints, Mr. Brandon was unable to travel to represent this project. Mr. Brandon has authorized the General Manager of Camp Verde RV Resort, Ms. Cori Allen to represent WHR Properties.

A neighborhood meeting was held on October 11, 2010 at the Camp Verde RV Resort Clubhouse. Three neighbors attended the meeting. They had questions regarding vehicles and the children being sometimes loud at the pool. Ms. Allen gave the neighbors her phone number should they wish to contact her.

A total of 20 letters were mailed to adjacent property owners within 300' of the subject parcels. As of the writing of this staff report, Community Development has not received any comments.

Agency responses were received with the following comments:

- Ron Long – Town Engineer, had no comment.
- Barbara Rice – Camp Verde Fire, had no comment.
- Robert Foreman – Building Official, had no comment.
- Yavapai Co. Flood Control – RV's should be "Road Ready" and removed from floodplain prior to flood event.

RE: Use Permit Application – Request Narrative

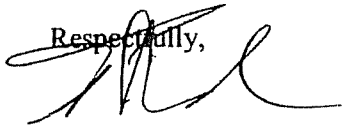

Camp Verde RV Resort became part of the Western Horizon Resorts family in 1996 as a purchase from American Adventure Campgrounds by Verde River Recreational Resort, LLC. In 2000 the resort was deeded to WHR Properties, Inc., which is the current owner and operator of the resort.

The resort operates twelve months per year as a membership resort, serving member campers from all over the United States and Canada. The well thought out design and development of the resort has blended well with WHR Properties operations. Other than normal infrastructure and building maintenance and upgrades, the resort has changed very little over the years.

WHR Properties, Inc. also owns and operates three additional RV resorts in Arizona.

In light of WHR Properties positive and unblemished operating relationship with the Town of Camp Verde since Use Permit #95-14 was issued, combined with no foreseeable need for resort expansion, we request that the new Use Permit be issued in perpetuity by the Camp Verde Town Council.

Respectfully,

Craig Brandon

The meeting opened at 6:40pm with 5 people in attendances. The propose change for the use permit was explained.

The 1st question was from Kathy Costello she wanted our phone number, Kathy Kruesel said she would also like to have it. I gave each one our number.

Kathy Kruesel asked if we could turn down the water aerobics music at the pool. I said we could do that. I also let he know that they were done now until next spring.

Kathy Costello also made a comment on the kids in the pool playing marco polo. I said well they are kids, they mostly come on the weekends in the summer. Summer is over and the pool does close at 9:45pm.

Kathy Costello & Kathy Kruesel, asked if we could do something about the vehicles that park at our clubhouse. Their headlights shine in their windows when they are parking. I said I am not sure what I could do about that. They do need to see where they are parking.

They also asked if they could not start the motors and let them run while they are standing outside their vehicle talking with friends. I said I under stand that does bother most. I told them that I would put something on the bulletin boards about respecting our neighbors.

Kathy Costello said that we needed more Christmas lights. I said we light up the fence, the building, the gatehouse, we put a lightened Happy Holiday sign, how much more do we need. She said she likes Christmas.

The meeting closed at 7:30pm

On a motion by Hough, seconded by Freeman, the Commission unanimously recommended that Council approve Use Permit 2010-02, an application submitted by Craig Brandon, agent for WHR Properties, Inc., owners of Camp Verde RV Resort, located on Parcels 403-19-205, 403-19-013H, 403-19-013J, 403-19-018Q and 403-19-207, **in perpetuity**; and the property owners to install signage at the lower area of the property indicating that it is in a flood zone, pursuant to the Yavapai County Flood Control notice requirement.

STAFF PRESENTATION

Asst. Planner Jenna Owens reviewed the background of the subject RV Resort that

operates year-around as a membership facility serving members from the United States and Canada. Owens outlined the number of spaces provided together with all the amenities. The applicant is requesting a Use Permit to be granted with no time limit imposed, and with the understanding that any changes or additions of uses must be approved by the P&Z Commission. The Community Development Department In the past 15 years has received no complaints; an inspection of the property has verified that there have been no changes to the use of the property. The applicant, Craig Brandon, was unable to attend due to budget constraints, and has authorized the General Manager of the RV Resort, Cori Allen, to represent the WHR property.

The neighborhood meeting was held on October 11, 2010, at the Resort clubhouse. The three neighbors attending the meeting had questions regarding vehicles in the park and children's noise at the pool. Ms. Allen gave her phone number to those individuals in the event they had questions or concerns in the future. No responses have been received to the 20 letters mailed to adjacent property owners.

No comments were received from the Town Engineer, Building Official or Camp Verde Fire Inspector; the Yavapai County Flood Control noted that the RV's should be "Road Ready" and removed from floodplain prior to any flood event, and Yavapai County Environment Services stated that it had no concerns with the renewal of the Use Permit.

PUBLIC HEARING AND COMMISSION DISCUSSION

Cori Allen said she had nothing further to add to the staff presentation.

Although not at issue, Commissioner Hough questioned whether the business had a Town tax license; Ms. Allen indicated that the Resort did, and Owens said she would look into that status on future applications. As a matter of interest, Owens pointed out that the site plan included in the agenda packet was dated 1985; it was submitted as an exhibit after staff inspected the property and confirmed that there have been no changes whatsoever to that site plan. In response to a question suggesting that the granting of a Use Permit in perpetuity would be the same as changing the zoning, staff explained that the advantage of the Use Permit is that it would allow the Town to continue to exercise control over the use of the property. Should there be any violations of the terms of the Use Permit, the Town could void the permit, whereas a change in zoning would create a vested right over which the Town would not have the same control.

Jenkins commented that staff did not believe there would be a problem for the Town should be Use Permit be approved with no time limit. The discussion also included the issue of the expense involved in requesting each renewal of a Use Permit.

The Commission discussed the comment from Yavapai County Flood Control regarding the requirement that the RV's should be "Road Ready" in preparation of a possible flood event. Ms. Allen volunteered how the emergency warnings were handled in response to the recent threat of flooding. It was suggested that the Town should require the property owner to notify the residents of the Flood Control requirement; countered with concern over the Town possibly undertaking liability by doing so, The members favored adding a stipulation that the property owner should notify all residents of the RV park of the requirement of the Yavapai County Flood Control agency so that the liability remains with the County agency. Owens noted that the Sign Code would allow placing informational signs at the two lower entry points of the Resort putting the residents on notice of that portion of the park being in a flood zone, and that the RV's should be "road ready" to remove from that area. Also, the existing signage at the park could be amended to reflect the requirement of Yavapai County Flood Control.

7. Commission Informational Reports:

Parrish commented on the recent extensive hurricane damage throughout the State; a good example of the destruction can be viewed at Clint Wells where an area about 5 miles wide and 20 miles long was seriously impacted and trees destroyed.

8. Staff

Owens noted that no meeting is scheduled for December; there will be a Regular Session in January.

9. Adjournment

On a motion by Freeman, seconded by Hisrich, the meeting was adjourned at 7:04 p.m.

Consent Agenda Regular Business

Reference Document: Staff Report.

Agenda Title (be exact): Request for Council direction to proceed with the Abandonment, Expiration or Reconsideration of any Council approved Final and Preliminary Plats for the Simonton Ranch Master Planned Community Subdivisions:

Purpose and Background Information: There are currently (6) six subdivisions within the Simonton Ranch Master Planned Community that have Council approvals for Final and/or Preliminary Plats. The status of each of those subdivisions is provided below:

- Silverado: The Final Plat for the Silverado Subdivision was recorded on July 6, 2006. The Town's Subdivision Regulations, Article I.H1, states that "Council may revoke the Final Plat if no lots have been sold and if all improvements have not been made within (3) three years from the date of the Final Plat recording". There have been no improvements to or lots sold for the Silverado Subdivision. The current Title Report shows that the current owner is Investors Mortgage Holder (IMH)Special Asset NT 228, LLC. Staff has met with a representative of (IMH) and have discussed the intent of returning the subdivision to the Council for direction to Abandon the subdivision and Revert to Acreage.
- Homestead & River's View both have a Council approval for their Final Plats on October 25, 2006. Neither of these Final Plats were recorded. Under Article IV of the Town's Subdivision Regulations, "Within 180 days of approval by the Council, the owner/subdivider shall provide all required materials and demonstrate that all conditions of plat approval have been met and the properly examined plat is presented to the Town Planning & Zoning Director for recording. If this is not done, the developer shall present a written status report to the Director who may administratively grant a six (6) month extension of time. At the end of (1) one year if the conditions of approval have not been satisfied and the plat is not presented or found acceptable for recording the final plat shall be referred to the Town Council for action".
- Water's Edge received a Preliminary Plat approval by Council on September 27, 2006.
Summerset received a Preliminary Plat approval by Council on March 28, 2007.
Elk Creek received a Preliminary Plat approval by Council on July 26, 2006.
Per Article III.O.B of the Town's Subdivision Regulations, a Preliminary Plat approval is valid for a period of (24) twenty four months. Each of these three subdivisions made Final Plat submittals but did not meet all the requirements and/or conditions of submittal. Per Article IV.1.C of the Town's Subdivision Standards, "Upon application to the Commission and prior to the expiration of the Two (2) year (Preliminary Plat) limit, if a Final Plat has not been submitted and approved for any part of the approved Preliminary Plat, extensions of time may be granted by the Council in (2) two years increments, if the subdivider is actively pursuing and/or processing a final plat. If such action is not taken, then all proceedings relating to the plat shall be terminated and a Preliminary Subdivision Plat would be required to be submitted and approved prior to processing the final subdivision plat".

Recommendation (Suggested Motion): Move to direct or not direct staff to take the Silverado Subdivision to the Planning and Zoning Commission to consider the subdivision for abandonment and reversion to acerage, to bring the Homestead & River's View Subdivisions to the Council for Action and to void the approval of the Preliminary Plats for the Water's Edge, Summerset and Elk Creek Subdivisions within the Simonton Ranch Master Planned Community.

Attorney Review: The Town Attorney has reviewed the proposed actions and has approved of the processes as provided in the Town's Subdivision Regulations.

Memo

To: Mayor and Council

From: Russ Martin, Town Manager 

Date: October 27, 2010

Re: Project Priority List to be Agendized at the November 17th Council Meeting

Since our initial retreat two months ago, I have tried to identify the Town's numerous pending projects, ideas, opportunities, etcetera (please see my list below). The list incorporates:

- Items from the March 24, 2010 memo to Council relative to pending, substantive or quasi substantive projects; and
- Projects suggested to me by people I have met (officials, citizenry and staff) since my arrival in Camp Verde. Some of the items are incorporated in the Town's FY 10/11 CIP Budget; many are not. Some items may be long-term projects with no absolute timeframe.

I understand that there may be history behind some of the projects and this is in no way an attempt to "rehash" any specific decision or project.

I am requesting your feedback with respect to ranking the 'top 10' or so projects for the purpose of discussion, consideration and direction (to me) at the Town's November 17th Council Meeting in order that I can do the following:

1. Focus on task-oriented projects beyond the day-to-day management issues; and
2. Progress with your 'top 10' priorities and other projects as time allows; and
3. Be accountable to Council.

To prioritize the top 10 items, please take some time and label your priorities on the list with the characters from the table below i.e. 1, 2 or 3 and A, B, or C:

Projects

Next to each of the projects indicating priority overall

<p>Project</p> <p>“1” (High Priority) or</p> <p>“2”(Medium Priority) or</p> <p>“3” (Low Priority)</p>	<p>Project</p> <p>“A” (Next 6 months) or</p> <p>“B” (6 to 18 months) or</p> <p>“C” (next year or two or more)</p> <p>indicating that same project’s priority in time (sooner rather than later)</p>
---	---

EXAMPLE:

<u>1 – 3 (Priority)</u>	<u>A – C (Time)</u>	<u>Project Description</u>
<u>3</u>	<u>A</u>	Russ’s Haircut
<u>2</u>	<u>C</u>	Russ’s Office Decoration
<u>1</u>	<u>B</u>	Russ’s Wardrobe Makeover

If you wish to discuss the project prior to prioritizing it, please circle the project name. In addition, feel free make a note or two next to the item to clarify your response e.g. give me the status of the last time it was discussed.

I am hoping that, eventually, you would give these items a priority ranking from 1 to 100; however, I am sure that is not possible and would be more time consuming then it is worth.

I have also provided the following list so you know that I am aware of these projects/issues you have previously given direction to me or former staff to complete. This may not be a comprehensive list, but it helps me to keep track of current issues.

Issues/Projects currently underway and already prioritized/implementing

- Fireworks Action
- Computer System Upgrade Cont'd (Library networked w/Town, etc.)
- Financial Procedures

Thank you for taking the time to review and prioritize the first list above. Please return the ranking to me by **Wednesday, November 3**. Providing the information by November 3rd will give Carol and I an opportunity to review and identify Council's project prioritization by the November 17th meeting. I hope this exercise is mutually beneficial.

If you have any questions, comments or concerns regarding this matter, please feel free to contact me via the information below.
