Re: Manager's report for the period ending February 29, 2016

The following is the Manager's report regarding activities in the month of February 2016:

Homelessness and/or similar community needs

Presented as a growing issue in the Verde Valley at the most recent Intergovernmental Meetings, I have met with a Bread of Life representative and have begun the discussion with the other Town/City Managers in the Valley as to what opportunities we may have collectively to address this situation. In the coming months I will be meeting with other regional groups outside Camp Verde to see what opportunities may come out of a continued conversation and demonstrated need.

Manufacturing and Yavapai County Economic Development Roundtable

I was fortunate enough to attend a meeting "first time" in many years of economic development professionals, organizations, and Town/City Managers who discussed mainly the current state of manufacturing in Yavapai County. Numerous topics were discussed that focused on a recent survey of current manufacturing companies of all different sizes in the County conducted by Northern Arizona Council of Governments (NACOG). This will lead to a discussion with the Northern Arizona Manufacturing Association (NAMA) to determine ways the communities can assist or do better in assisting these types of companies as well as potential to recruit more companies to Northern Arizona.

Health Insurance

Attended with HR Specialist Barbie Bridge an annual membership meeting for our healthcare cooperative board (APEHP) in which the Town along with all the other Cities and Towns in the Verde Valley are members with several fire districts including Camp Verde Fire District, and some school districts. During this meeting we were able to see the good financial position of this cooperative and see a minimal 2% increase in premiums. This is significant as most other entities/businesses are unable to maintain these low of increases at this time and assists these public entities with tight budgets.

TOWN OF CAMP VERDE

General Fund Report

FY16 - 2nd QTR ending December 2015

GENERAL FUND REVENUES

	FY 15-16 Budget	FY 15-16 Actual	% of Budget Received
Local Taxes	3,430,550	1,901,697	55%
Franchise Fees	275,500	153,371	56%
State Sales Tax	1,038,730	495,767	48%
Urban Revenue Sharing	1,309,100	654,554	50%
Vehicle License Tax	644,350	331,670	51%
Other Revenues	887,215	324,935	37%
TOTAL	7,585,445	3,861,994	51%

The Town's revenues are still coming in very strong for the first half of the year. Our City sales tax is \$186K over budget for the 6 month period. The State sales tax numbers are 2% short which amounts just under \$24K under budget. While some of this increase can be attributed to new construction, the vast majority of the increases are in retail. Monthly amounts are fairly consistent with only two month's seemingly out to sync with the rest, but these were really due to a non-local company's reporting error and subsequent correction in the following month.

GENERAL FUND EXPENDITURES by DEPARTMENT

	FY 15-16 Budget	FY 15-16 Actual	% of Budget Expended
General Admin	1,650,242	815,765	49%

Parks & Rec	257,652	117,102	45%
TOTAL	6,654,314	3,098,273	47%

While general revenues are coming in well over budget, departmental expenses have been kept under budget putting the Town in a very strong position so far this year. While general admin and Library departments are spending right at their budget levels (49%) the remaining departments are averaging right at about 5% savings to date for the year. Total expenses in the general fund are nearly \$229K under budget. When combined with revenues, the Town is nearly \$300K ahead of budget.

- In cooperation with Camp Verde Community Library held two Free Friday Family Movie Night.
- Grasshopper Basketball for 5th – 8th grade Grasshopper basketball finished their playoffs and Championships. The Championship games were very exciting with the 5th & 6th grade Lil TCB winning in double overtime 34 – 32 and 7th & 8th grade Hustle Gang winning 33 to 32.
- Shuttle bus trips continue to be very popular with two trips this month, one of which was sold out. One of the March trips is sold out and strong registration for the other. The Library has 4 trips scheduled for March along with one for the Council. Thanks to Economic Development we now have a great visit Camp Verde logo on the back of the bus to display as we travel. We continue to develop plans for expanded use of the shuttle with the Community Library and other partners.

- Completed and submitted a Recreational Trails Program Grant for \$78,248.60 to construct a 1.65 mile non-motorized multi-use trail around the perimeter of the new Community Park. Public Works will be constructing an access road and parking lot with funds from previously approved CIP funding which will more than meet our match obligations.
- Worked on budget preparation for Parks & Recreation.
- Attended the quarterly AZPRIMA meeting in Peoria.
- A second season of Adult Co-Ed Volleyball started playing with 6 teams on Sunday afternoons into April.

CAMP VERDE COMMUNITY
I R D A D V good company always Welcome...

MEMORANDUM

TO: Russ Martin, Town Manager
FROM: Kathy Hellman, Library Director
SUBJECT: Monthly Report – February 2016
DATE: 3/9/16
CC: Department Heads

Library Construction Update: Interior walls are going up to define the spaces. We are working on many details such as kitchens, furniture options, public service desks, and audiovisual systems. BWC has given us a project finish date at the end of August. We are looking at a Grand Opening event in September.

We are happy to welcome two young ladies to our team at the library. Nadia Torabi and Jessica Cho are both working part-time as Youth Services Librarians. Nadia has a Masters degree in education and has worked with children in a variety of venues. She is focusing on the Children's library services and has partnered with Sebra to do outreach to several schools. Nadia will work on the first floor in the new library. Jessica has a Bachelor's degree in Parks & Recreation and comes to us from Out of Africa. She has already begun building relationships with and working with teens at the library, and as a bonus, is helping us take good care of our bearded dragon, Dewey. Jessica will work on the second floor in the Teen Library.

We met with Tina Scott, Graphics Design instructor at Camp Verde High School. She is putting together a team of high school students to design the end panels for the library shelving. This is a wonderful opportunity for local students to showcase their talents, skills and designs that we are very excited to see in place.

Be sure to follow our blogs: <https://cvcltalk.wordpress.com/> and <https://cvcltab.wordpress.com/>

To really keep up with what is going on at the library, don't forget to like us on Facebook at: <https://www.facebook.com/campverdelibrary>
