Re:

Manager's report for the period ending May 31, 2016

The following is the Manager's report regarding activities in the month of May 2016:

All Staff Training/Appreciation

On May 10th we held an all-staff training in association with our annual healthcare enrollment. In addition to other internal training the focus was on the individual employee and their health. CAP (Central Arizona Project) graciously supplied us with a couple of speakers who presented on healthy habits and employee longevity. This was followed by a meal with Cheeseburgers and Hotdogs cooked by the Mayor and Manager.

Forest Service Listening Session

Invited and attended a listening session held by the Forest Service in connection with their initiative related to connections in the community. They are hoping that nationwide listening sessions such as this with stakeholders they will have a renewed effort to connecting with local communities in the future. This was attended by individuals from several different backgrounds who provided feedback on the Forest's abilities and inabilities to communicate their purpose and policies throughout the area.

Sedona Recycles

Attended a regional conversation to continue to discuss the issues related to providing recycling in the region and what the future holds for this service. Sedona Recycles has suffered from low commodity pricing and has had difficulty covering the cost of providing this not for profit service in several of the communities. Although they do several fundraisers and grants they are still not enough to cover this service regionally. More to come on this subject as they continue to work on coming up with solutions within Sedona Recycles and possibly the need for regionally addressing this issue.

Library Construction Update: Sheet-Rockin' the Library! The sheetrock started going up on the inside this month. Beginning to look like something to be proud of!

This month the Library hosted three
Autism awareness trainings
by Southwest Autism
Research & Resource Center
(SARRC) and one with Erin
Busbea, a trainer provided by
the State Library. It was not

easy bringing professional training to audiences in our limited space – only increases our anticipation for a facility where we can do these thing right.

We were notified May 1 that our Library Services & Technology Act Grant (LSTA) is to be fully funded at \$20,350 by the Arizona State Library, Archives & Public Records, a division of the Secretary of State with funds from the Institute of Museum & Library Services. Library Specialist, Sebra Choe wrote the grant, a proposal to increase early literacy services/outreach to Spanish-speaking families with children ages 0-4.

Staff appreciated the All-Hands Training and lunch held this month. It was especially less stressful for us to open the library late so we could all participate in the training activities together.

Be sure to follow our blog: https://cvcltalk.wordpress.com/. To really keep up with what is going on at the library, don't forget to like us on Facebook at: https://www.facebook.com/campverdelibrary
