

RESOLUTION 92-198

WHEREAS. the Arizona Corporation Commission. in Decision No. 57462. dated July 15. 1991. concerning rate increase requests from U.S. West Communications. WHEREAS. a petition has been presented in the form of Exhibit A incorporated herein by interested citizens urging U.S. West and ACC staff to complete a study of the Verde Valley area to recognize the cities. towns and communities listed therein as a "community of interest" with common economic and social interests that would benefit from the establishment of a flat-rate calling area. and

WHEREAS. it is an economic hardship and inconvenience for Verde Valley residents who live and work in several adjoining communities to incur long-distance charges for telephone services. and for visitors to the Verde Valley using public phones. and

WHEREAS. the Verde valley communities have continued to grow together and share common economic. social. and historic ties which would benefit from the establishment of a toll-free telephone area.

NOW. THEREFORE. BE IT RESOLVED by the Mayor and Common Council of the Town of Camp Verde, Yavapai County, Arizona, that the residents of the Town and the Verde Valley should sign the attached petition, that the Arizona Corporation Commission should. pursuant to its Decision No. 57462. recognize the communities of the Verde Valley as a "community of interest" which would benefit from establishment of a telephone flat-rate calling area. and complete the required study for further input from the Verde Valley residents prior to July 15, 1993.
