Re: Manager's report for the period ending July 31, 2015

The following is the Manager's report regarding activities in the month of July 2015:

Manager's Training

I plan on incorporating my training/lessons/ideas into a follow up session with Town Council following the League of Cities we will be attending this month, however, I wanted to mention a couple of items here as the audience may be broader and includes staff. First is the opportunity to broaden my outreach to staff through "ride a longs" with more than just the CVMO staff, they may appreciate having other departments having the "opportunity". As I talked with other managers it became apparent the need to get an improved understanding of the day to day in all areas and as much as I try to get around it usually is for a brief moment which limits my ability to appreciate what is going on in the organization.

So I will be working to incorporate regular time to engage staff at all levels so I may better understand what I can be doing with Town Council to make this organization better so that we can continue to serve the citizens better. I also believe a regular "coffee with the Manager" as we begin organization of "coffee with Council" will also give me the opportunity to listen and learn as the Town moves forward. I appreciate the training opportunities and continue to encourage staff to get to these training activities we budget for as a way of refreshing and bring back new ideas and skills.

Verde Lakes Flooding

Obviously Town staff has spent a lot of time preparing for what has been a great opportunity to make long awaited improvements in drainage in one area of Verde Lakes. I am really proud of the things Town staff has done with cooperation from their colleagues in the County and Federal Government as well as the elected officials from each of these. It is often the case where criticism is levied against government and for sometimes good reason, but the speed and caring shown in this case is something to be appreciated. Thank you to all who helped get this done!

Our Vision:

We succeed only when we meet or exceed the expectations of our citizens. We have a passion for excellence and endeavor to set and deliver the highest standards of service, value, integrity, and fairness. We celebrate the diversity and power of our democracy through its people, ideas, and cultures. We feel a sense of responsibility to lead by examples of creativity, enthusiasm, and loyalty to our community in which we are honored to serve.

BRINGING AWARENESS & UNITY TO ALL DEPARTMENTS AND COMMUNITY

Comment from the Clerk:

July was a very busy month getting Council Packets ready for the League Conference and making notebooks for all that will be attending. I am grateful that I could attend the Annual Municipal Clerks Association Conference in Fountain Hills with guest speakers Ina Wintrich and Lance Decker, (both wonderful people and great speakers). The focus was on what makes a great community and what behaviors are expected when the community changes, focusing on the attributes of a healthy community having a clear vision, leadership, accountability, civility and clear expectations.

Barbara Bridge and I both attended Elections Training that included an overview of the Election process by former League of Arizona Cities and Towns Executive Director Cathy Connolly. Cathy retired from the League 10 years ago after 34 years of service and then agreed to work with the League for a short period under a contract. She has finally decided that she is ready for full retirement so a total of 44 years of knowledge is truly going to be missed.

CAMP VERDE COMMUNITY LIBRARY

good company always Welcome...

MEMORANDUM

TO: Russ Martin, Town Manager
FROM: Kathy Hellman, Library Director
SUBJECT: Monthly Report – July 2015
DATE: 8/10/2015
CC: Department Heads

Library Construction Update: By the end of July footings were had been prepared, rebar cut and inserted and steel delivered to the site.

The Library's Summer Reading Program,

Every Hero has a Story, ended

with a Pool Party/Picnic & Awards Ceremony at Camp Verde Heritage Pool. Special thanks to Mike Marshall & Camp Verde Parks & Recreation for supporting the Library's Summer Reading Program. Nearly 100 people came to celebrate the 141 children ages 0-17-years old and 54 adults who participated in programs and events throughout June and July. Kids logged 162, 562 minutes of reading and 1,289 titles. The goal of summer reading for kids is to encourage

reading over the summer to help prevent loss of reading skills during

summer break. When kids read or are read to 20 minutes per day they are more likely to maintain or improve their skill level. The goal for adults is to set an example for children and to encourage adults to make connections with one another and the community through the library. Thanks are due to all the library staff who encouraged kids, teens and adults to try something new and to the many local heroes right in our community who participated in the library's Summer Reading Program. Winners are:

Over a dozen library staff and volunteers stepped up to help out at Camp Verde's annual 2-day Cornfest. Some took ticket money, some worked in Camp Verde Promotions booth, some prepared the corn, some cooked the corn and some dipped and served. Additionally, CVCL TAB helped with trash pickup and games and then spent some time taking pies in the face (all in good fun).
