POLICY 1-2 CODE OF CONDUCT

As employees of the Town of Camp Verde, we must manage our personal and business affairs so as to avoid situations that might lead to conflict, or the appearance of conflict, between self-interest and our duty to the Town, to the persons served by the Town and to the general public.

Common sense and good judgment will dictate the proper course of action in most situations. However, if there is a question of even a slight conflict with our Code of Conduct, others will tend to exaggerate it. The best policy is to resolve such questions by addressing them at the outset so they will not become embarrassing problems later. Such matters can easily be addressed by discussing them with the Department Head or Human Resources Director. Handling these matters in this manner should avoid any occasion for disciplinary action. However, any violation of this Code of Conduct may result in disciplinary action. Depending upon the severity of the violation, such disciplinary action could include any one or a combination of the following: oral warning, written reprimand, probation, suspension or discharge. Situations may arise that have not been directly addressed in this Code of Conduct. The final resolution of such situations rests with the Town Manager.

Section 1-2-1 Performance of Duties

- D) Employees should perform their duties impartially in a manner consistent with the law and the public interest, unswayed by kinship, position, partisan interests, public pressure or fear of criticism or reprisal.
- E) Employees should bring to the attention of their supervisor any information that, by its nature or inference, could disclose or cause to be addressed any condition or situation that is detrimental to the image of the Town of Camp Verde or that they regard as a threat of liability, a threat to safety, or a breach of law. The Town will not retaliate against any employee who makes such a disclosure in good faith. Resolution shall be pursued in accordance with the provisions of applicable local, state, and federal law.

Section 1-2-2 Abuse Of Position

- A) No employee should use or attempt to use his or her official position to secure unwarranted privileges or exemptions.

CHAPTER 1

GENERAL EMPLOYMENT RIGHTS AND RESPONSIBILITIES

Potential conflict of interests exists when an employee or an employee's immediate family may be directly financially impacted, whether favorably or detrimentally, by a decision made by the Town of Camp Verde in which the employee participates. Even if no abuse of position actually occurs, a conflict of interest or its appearance can seriously undermine the public's confidence and trust in the Town's governmental system.

- A) **Outside Contracts:** Employees and their immediate family members should not enter into any contract with any component of the Town government for financial gain apart from an employment appointment without full disclosure and satisfactory management of any potential conflict of interest in accordance with policies established by the Town of Camp Verde.

Examples of acceptable courtesies include a meal for speaking at a meeting or event; floral offerings or gifts of food to commemorate events such as illness, death, birth, holidays, and promotions; or a sample or promotional gift of nominal value (\$25 or less).

Section 1-2-4 Outside Employment

- A) While the Town of Camp Verde does not oppose employees engaging in outside employment, each full-time employee should consider his or her position with the Town of Camp Verde to be his/her primary place of employment. The outside employment of part-time employees may also reflect on the Town. Therefore, the Town of Camp Verde will oppose outside employment when it interferes with any employee's duties with the Town of Camp Verde, involves a potential conflict of interest, or compromises the integrity or credibility of the Town. Consequently, in addition to conflict of interest situations addressed above, employees should avoid:
- 1) Outside employment with an entity that conducts business with the Town or requires the employee to have frequent contact with entities that regularly do business with the Town without full disclosure and satisfactory management of any potential conflict of interest.
 - 2) Outside employment that cannot be accomplished outside of the employee's normal working hours or is otherwise incompatible with the performance of the employee's duties by placing the employee in a position of conflict between the employee's role at the Town of Camp Verde and the employee's role in the outside employment.

Section 1-2-5 Volunteer Activities

POLICY 3-9 PROMOTION

- G) If an employee is not able to perform the new duties satisfactorily, the employee may have the opportunity to return to his/her previous position if it has not been filled or may be referred to other job openings upon the approval of the Town Manager. If another position is not secured, the employee may be placed on administrative leave without pay.

POLICY 3-11 DEMOTION

An employee reassigned to a position in a lower classification regardless of the reason (disciplinary, voluntary, in lieu of layoff, for reasons of disability or incapacity, department reorganization, response to market data, etc.) will receive a cut in pay commensurate with the nature of the demotion as determined by the Department Head (unless it involves the Department Head) in consultation with the Human Resources Department and approved by the Town Manager.

Revision of position descriptions and re-allocations within the classification plan shall be made as often as is necessary to provide current information on positions and classes. It is the duty of the Human Resources Director to examine the nature of all positions and to allocate them to existing or newly created classes; to make changes in the classification plan as are made necessary by changes in the duties and responsibilities of existing positions; and to periodically review the entire classification plan and recommend appropriate changes in the allocations of positions in the classification plan.

Section 3-12-1 Procedure

- B) The request will be reviewed by the Human Resources Director. A job audit, which is an analysis of the critical elements of a position and placement in the Town's classification/salary schedule, will be undertaken.
- C) If the request is justified, the budget impact will be determined and a report prepared for review by the Town Manager and Town Council.

CHAPTER 3

Section 3-13-1 Justification

- A) The assumption and performance of the duties of the higher or professional classification must encompass the full range of responsibilities of the classification. It does not pertain to a temporary assignment made for the purpose of providing a training opportunity to the employee.
- B) The performance of duties must be for an extended period of time to fill the needs of the vacant position. An extended period of time is generally considered as an assumption of duties and responsibilities that will last in excess of 30 working days.

CHAPTER 3

COMPENSATION

Recommendation and approval shall be accomplished prior to the assumption of the higher or professional classification responsibilities.

- F) The employee's date of hire anniversary and performance evaluation anniversary will remain unchanged throughout the temporary assignment.

CHAPTER 4 EMPLOYMENT BENEFITS

POLICY 4-1 BENEFITS CONTINUATION/COBRA

The federal Consolidation Omnibus Budget Reconciliation Act (COBRA) of 1985, amended by the Health Insurance Portability and Accountability Act (HIPAA) of 1996, gives covered employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Town of Camp Verde's health plan when a "qualifying event" would normally result in a loss of eligibility. Some common qualifying events are resignation, voluntary or involuntary termination of employment, death of an employee; a reduction in an employee's hours or a leave of absence, transition between jobs, an employee's divorce or legal separation; or a dependent child no longer meeting eligibility requirement.

Section 4-1-1 Who Pays

Under COBRA, the employee or beneficiary pays the full cost of coverage at the Town's group rates plus an administration fee as prescribed by federal law. Qualified individuals may be required to pay the entire premium for coverage up to 102 percent of the cost of the plan.

Section 4-1-2 Written Notification of Eligibility

The Town of Camp Verde, through its health insurance supplier, provides each eligible employee with a written notice describing rights and responsibilities under COBRA when the employee becomes eligible for coverage under the Town's health insurance plan; when the employee experiences a qualifying event; and at various federally required dates depending upon the employee's election of COBRA.

POLICY 4-2 COMPENSATORY LEAVE

Compensatory time is credit for hours worked in excess of a person's normal workweek in accordance with the Fair Labor Standards Act (FLSA). Use of compensatory time as compensatory leave must be pre-approved by the immediate supervisor or Dept Head.

Section 4-2-1 Nonexempt Employees

- A) Nonexempt employees shall be paid overtime or given compensatory leave at the rate of time and one-half for all hours worked in excess of the normal 40 hour work week if the employee actually worked in excess of 40 hours in one week.
- B) Upon termination of employment, a nonexempt employee will be paid at the employee's prevailing salary rate for unused compensatory time that has been earned through the last day of work.

CHAPTER 4 EMPLOYMENT BENEFITS

Section 4-2-2 Exempt Employees

Executive, administrative, and professional employees are considered exempt employees and are not covered by the overtime pay provisions of the FLSA.

POLICY 4-3 FAMILY AND MEDICAL LEAVE

In accordance with the Family and Medical Leave Act (FMLA) of 1993, the Town of Camp Verde provides family and medical leaves of absences without pay, for up to 12 weeks, to eligible employees who are temporarily unable to work due to a serious health condition or disability as defined by the act; who wish to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or who must care for a child, spouse, or parent with a serious health condition. The Town of Camp Verde will maintain group health insurance coverage during the FMLA term.

Section 4-3-1 Definition of Serious Health Condition

A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility or continuing treatment by a licensed health care provider.

Section 4-3-2 Eligibility

- A) Employees in the following employment classifications are eligible to request FMLA leave as described in this policy:
- 1) Regular full-time employees who have worked for the Town at least 52 weeks (12 months).
 - 2) Regular part-time employees who have worked for the Town at least 1,250 hours in the previous 12 months.
- B) Eligible employees shall make written requests for FMLA leave to their supervisor at least thirty (30) days in advance of foreseeable events and as soon as possible for unforeseeable events or within no more than two working days after learning of the unforeseen need for leave. An employee requesting unforeseen FMLA leave has the obligation to comply with the Town's regular reporting requirements.

CHAPTER 4 EMPLOYMENT BENEFITS

- C) It is the responsibility of the employee to notify the Human Resources Department of the need to take leave for a serious health condition. The notice must make clear that the serious health condition makes the employee unable to perform his job functions.
- D) Department Heads must notify the Human Resources Department of all absences for medical leave reasons that exceed three working days, regardless of whether sick leave, vacation leave, or unpaid leave is used. The Human Resources Director will determine if the absence is under the FMLA.

Section 4-3-3 Verification of Need

Employees requesting family leave related to the serious health condition of a child, spouse, or parent shall be required to submit a health care provider's statement verifying the need for family leave to provide care, its beginning and expected ending dates, and the estimated time required. FMLA leave may be used to maintain a reduced workweek for intermittent leave for preplanned and pre-scheduled medical treatment. Certification by a licensed health care provider shall be required. Certification forms are available from the US Department of Labor or at www.dol.gov.

Deleted: may

Section 4-3-4 Maximum Leave Time Available

- A) Eligible employees may request up to a maximum of twelve (12) weeks of FMLA leave within any 12-month period. Any combination of family leave and medical leave may not exceed this maximum limit. An eligible employee who is a spouse, son daughter parent or next of kin of a current member of the Armed Forces, including a member of the Nation Guard or Reserves, with a serious injury or illness may be granted up to a total of 26 workweeks of unpaid leave during a single 12 month period to care for the service member.
- B) Married employee couples shall be restricted to a combined total of twelve (12) weeks leave within any 12-month period for childbirth, adoption, or placement of a foster child, or to care for a parent with a serious health condition.
- C) If this period of absence proves insufficient, consideration may be given to a written request for an extended (administrative) leave without pay, which shall not exceed one year.

CHAPTER 4

EMPLOYMENT BENEFITS

Section 4-3-5 How FMLA Leave is measured

The Town uses a rolling 12-month period measured backward from the date an employee uses any FMLA leave. Each time an employee uses FMLA leave, the remaining leave entitlement is the balance of the 12 weeks that has not been used during the immediately preceding 12 months.

Section 4-3-6 Use of Accumulated Leave

Employees are required to first use any accumulated paid leave time before taking unpaid FMLA leave.

Section 4-3-7 Continuation of Health Insurance Benefits

- A) Subject to the terms, conditions, and limitations of the applicable plans, the Town of Camp Verde will continue to provide benefits for health insurance for the full period of the approved family or medical leave in accordance with COBRA coverage mandates.
- B) The employee will continue to be responsible for the cost of supplemental benefits and dependent care coverage if continued coverage is desired. Payments must be made by the 10th day of each month. If payment is more than 30 days overdue, coverage will be dropped.

Section 4-3-8 Suspension of Accumulation of Other Town-Provided Benefits

- A) Employees on FMLA who are receiving vacation or sick leave pay will continue to be paid for holidays while on leave and accrue vacation and sick leave.
- B) Employees who are on unpaid FMLA leave will have vacation and sick leave accrual and holiday benefits suspended during the unpaid leave and will resume upon return to active employment.
- C) Use of FMLA leave is not considered a break in service when determining eligibility for vesting or for participation in a benefit.

Section 4-3-9 Return to Work

- A) So that an employee's return to work can be properly scheduled, an employee on FMLA leave is required to provide the Town with at least two days' advance notice of the date the employee intends to return to work.

CHAPTER 4

EMPLOYMENT BENEFITS

- B) If the employee was on FMLA leave due to a serious health condition, before returning to work, the employee must provide a work release from the health care provider attesting that they are able to resume work. The work release must be accepted by the Human Resources Department prior to the employee returning to work.
- C) When a FMLA leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified.
- D) The only exception may be for a highly compensated position. The employee in this position will be notified when he/she requests leave that the Town may choose to fill the position because it is key to the Town's operations. If the Town chooses to fill the position, it will first offer the employee the opportunity to return to work immediately.

Section 4-3-10 Intermittent Leave or Reduced Work Week

- A) In certain cases, intermittent use of the 12 weeks of FMLA leave or a part of a reduced workweek may be allowed by the Town. Employees wishing to use leave intermittently or to utilize a reduced work week schedule for FMLA birth, adoption, or foster care purposes will need to discuss and gain approval of such use from the employee's Department Head and the Human Resources Department.
- B) If the need is for preplanned and prescheduled medical treatment of the employee, the employee is responsible for scheduling the treatment in a manner that does not unduly disrupt the Town's operations. Intermittent or reduced workweek use of FMLA is subject to medical certification by a licensed health care provider.
- C) In some cases, the Town may temporarily transfer an employee using FMLA leave intermittently or on a reduced workweek schedule to a different job with equivalent pay and benefits if another position would better accommodate the intermittent or reduced workweek schedule.

Section 4-3-11 Termination of Employment

- A) If an employee resigns voluntarily before returning from FMLA, health insurance benefits are subject to COBRA law.
- B) If an employee fails to report to work promptly at the end of the approved leave period, the Town will assume that the employee has resigned.

CHAPTER 4 EMPLOYMENT BENEFITS

POLICY 4-4 WORKER'S COMPENSATION

Worker's Compensation is a program of insurance administered by the State Industrial Commission to protect workers, their families and dependents from loss due to a work-related or "industrial" accident or illness without assessing fault or blame for the accident or illness. The program provides for payment of medical bills, physical and vocational rehabilitation and financial compensation while the worker is disabled – either temporarily or permanently – and is unable to work while on industrial leave. It also provides for lump sum payments for particularly serious injuries such as the loss of a finger, eye, foot, etc., and assures death benefits and compensation to the worker's family or dependents in the event the injury is fatal. Industrial leave is defined as leave to obtain treatment and/or recuperation necessitated by an injury or condition sustained in the course and scope of employment with the Town of Camp Verde as determined by an authorized health care provider. Industrial leave is not accumulated but is available through the State Industrial Commission in conjunction with state law.

Section 4-4-1 Reporting Requirement

- A) Any employee involved in an industrial injury or an occupational illness as defined by the State Worker's Compensation laws must report the incident to his or her immediate supervisor or Department Head within 24 hours or as soon thereafter as possible.
- B) Hours lost due to the injury or illnesses are reported on the employee time sheet as "industrial disability."

Section 4-4-2 Payments

- A) Worker's Compensation does not pay for the first seven days off unless the total number of days off exceeds 14 days. If the claim is approved for payment, paid leave used for the injury or illness may be reinstated to the employee's leave balance record upon reimbursement to the Town of the amount paid.
- B) Worker's Compensation pays a State-mandated percentage of the employee's daily wage.

Section 4-4-3 Use of Paid Leave While on Industrial Leave

- A) An employee receiving disability payments under the Worker's Compensation laws may use accumulated paid leave in order to continue to maintain regular income. Arrangements to maintain regular income may be made through the Human Resources Department.

CHAPTER 4

EMPLOYMENT BENEFITS

- B) Sick leave or vacation leave may be used to supplement any payments that an employee is eligible to receive from State disability insurance. The combination of any such disability payments and Town paid sick or vacation leave benefits shall not exceed the employee's normal weekly earning. The purpose of this policy is to ensure that an employee does not suffer an economic hardship as a result of a work-related injury or illness; however, the employee should not realize a financial gain as a result of injury or illness.
- C) Lost time for worker's compensation in excess of three days will run concurrent with Family Medical Leave (FMLA).
- D) No employee shall receive sick leave or use vacation time as a result of a job injury, illness, or disease incurred while employed by another employer.

Section 4-4-4 Return to Work

An employee returning from Worker's Compensation leave must notify their supervisor of their intent to return to work, and must provide a work release from the health care provider attesting that they are able to resume their normal work duties or modified duties. The work release must be accepted by the Human Resources Director prior to the employee's return to work.

POLICY 4-5 MILITARY LEAVE

A military leave of absence will be granted to any employee, except those occupying temporary positions, to attend scheduled drills or training or if called to active duty with the U.S. armed services. Military leave shall be granted in accordance with the provisions of applicable state and federal law. (i.e. A.R.S. § 26-168, 26-171, 38-610)

Section 4-5-1 No Break in Service

Section 4-5-2 Limit of Paid Time Off

Paid time off, in accordance with the law shall be limited to an equivalent of thirty (30) workdays in a 24-month period. The period of time spent in training or scheduled drills under orders shall not be deducted from the paid vacation leave balance to which the employee is otherwise entitled unless it exceeds the thirty workdays.

CHAPTER 4
EMPLOYMENT BENEFITS

POLICY 4-6 SPECIAL LEAVE OF ABSENCE

Employees may be granted a special leave of absence as approved by the Town Manager. An employee shall not use a special leave of absence to work for another employer or to pursue self-employment. Leaves are designed to accommodate employees who have critical personal situations only. An employee who fails to return to work on the date specified in the leave request without receiving an extension in advance is considered to have resigned.

Section 4-6-1 Special Leave of Absence with Pay

- A) In some cases, an employee may be granted a special leave with pay in the event the Town Manager or Mayor grants a temporary emergency leave for a natural disaster or other situation that may jeopardize the safety and/or health of employees, such as weather, fire, flood, or pandemic, or in a declared state of emergency, disaster or grief.
- B) In some instances, it may be necessary to remove an employee from the workplace to allow for an investigation by the Town into matters concerning possible discipline of the employee and/or other Town employee(s). This type of leave is not disciplinary action, and in general, should not exceed fifteen (15) working days without written approval from the Town Manager or the Town Manager's designee.
- C) The Town Manager, with Council approval, may also approve a special leave with pay for an employee for a fixed period of time when such leave is considered by the Town Manager to be beneficial to the Town or in the best interest of the Town.

Section 4-6-2 Special Leave of Absence without Pay

- A) A special leave of absence without pay for a period not to exceed 90 calendar days may be granted by the Town Manager to any full-time employee who has completed one year of employment. Such leave may be granted only after accrued vacation leave and compensatory leave has been exhausted.
- B) Under extenuating circumstances, the Town Manager may grant an extension of a leave period upon written request by the employee. Such extension may not exceed 3 months and will be based on departmental as well as employee consideration.

CHAPTER 4 EMPLOYMENT BENEFITS

- C) Any employee who has been granted a leave without pay shall retain his/her original date of hire but shall not accumulate any vacation or paid leave time during the unpaid leave of absence nor be entitled to holiday pay.
- D) Any employee who is on a leave without pay at the time of his/her performance evaluation anniversary may not be eligible for a regular annual review of job performance nor for an adjustment in pay until the performance evaluation anniversary immediately following the return to active employment.
- E) Employees on leave without pay may elect to continue group insurance coverage. However, the employee must bear the entire cost of both employee coverage and dependent coverage. Payment must be submitted to the Finance Department by the 10th of each month to ensure continued coverage.
- F) The Town is not obligated to hold the employee's position open while the employee is on leave without pay. The position may be filled on a temporary or regular basis. The employee's right to return to the Town from leave without pay shall depend on the availability of an appropriate position.

POLICY 4-7 BEREAVEMENT LEAVE

If an employee wishes to take time off due to the death of an immediate family member, the employee should notify his or her supervisor immediately.

Section 4-7-1 Approval

During business hours, employees are expected to present a clean and neat appearance and to dress according to the requirements of their positions. Department Heads are responsible for determining and enforcing the dress code for their respective areas of responsibility.

Section 5-3-1 Acceptable Attire

Failure to cooperate with an authorized Town official in any investigation involving the Town's electronic communications system is a violation of the policy and shall result in discipline, up to and including termination of employment.

Section 5-4-5 Consequences of Prohibited Use

Any violation of this policy shall result in disciplinary action, up to and including termination of employment.

POLICY 5-5 DISCIPLINARY SYSTEM

Effective discipline is a positive process when its purpose is to train or develop by instruction. Whenever appropriate, training is encouraged as a means of improving employee productivity and effectiveness through positive and constructive methods. However, improper employee conduct shall be considered good cause for disciplinary action.

Each supervisor shall have the responsibility and authority, with approval of the Department Head, to administer appropriate discipline to his/her subordinates using a positive progressive discipline process as a corrective measure.

Section 5-5-1 Discipline Process

A) In general, the concept of progressive discipline means that a series of increasingly severe disciplinary actions will be administered to correct employee behavior or performance.

CHAPTER 5

WORK RULES

- B) This shall only be a guideline for supervisors, however. Not all discipline will begin with counseling or reprimands.
- C) The totality of the circumstances will dictate the appropriate level of discipline for each incident. Review of the particular facts and circumstances, such as the severity of the offense or an employee's disciplinary history, regardless of whether for the same offense, may indicate that more severe disciplinary measures, up to and including immediate termination, are appropriate.
- D) Whether or not the procedures are followed, all employees are subject to discharge when, in the sole opinion of management, an employee's job performance or conduct threatens the well being of the Town, its employees or its citizens.

Section 5-5-2 Definitions

- A) Employee: Includes all Town employees of any status or classification except elected officials.
- B) Initial evaluation employee: New employee whose continued regular employment depends upon the successful completion of an initial evaluation period. An employee may be terminated at any time with or without cause during the initial evaluation period.

- D) Pre-action meeting: A meeting with the employee, the employee's representative, if desired, and the Department Head where the employee may present reasons in writing or orally as to why the proposed disciplinary action should not be taken.
- E) Progressive Discipline: A series of increasingly severe disciplinary actions, ranging from oral counseling to discharge.
- F) Termination: Used interchangeably with the word "discharge," meaning dismissal from employment. This does not include a layoff.

Section 5-5-3 Grounds for Disciplinary Action

- A) Discharge may occur as the result of a single serious infraction that warrants immediate dismissal, including but not limited to:

CHAPTER 5

WORK RULES

- 1) Dishonesty, including intentionally giving false information, intentionally falsifying records or making false statements when applying for employment, lying to supervisors in connection with the employee's job; falsifying time sheets for payroll.

- 10) Two written reprimands or other disciplinary actions in 24 consecutive months;
- 11) Inability to get along with fellow employees so that the work being done is hindered and not up to required levels; speaking critically or making derogatory or false accusations so as to discredit other employees or supervisors;
- 12) The use of profanity or abusive language towards a fellow employee or member of the general public while performing official duties as a Town employee;
- 13) Abuse of sick leave privileges by reporting sick when not sick or obtaining sick leave pay falsely or under false pretenses;
- 14) Divulging or misusing confidential information, including removal from Town premises without proper authorization any employee lists, records, designs, drawings, or confidential information of any type;
- 15) Improper use of the Town's electronic storage and communications equipment, including without limitation the transmission or reception of any material in violation of federal, state, or local law or regulation or use for non-employment related matters;

- 17) Other reasons deemed valid by Town officials.

Section 5-5-4 Types of Disciplinary Action

- A) Oral warning or Counseling: A verbal notice to the employee discussing a problem of relatively minor degree of the employee's performance. The oral warning or counseling shall be given in private. The supervisor shall inform the employee that the supervisor is issuing an oral warning, that the employee is being given an opportunity to correct the condition, and if the condition is not corrected, the person will be subject to more severe disciplinary action. A written notation of the warning is to be included in the employee's personnel file after acknowledgment by the employee (see 5-5-4B3).

CHAPTER 5

WORK RULES

B) Written Reprimand

- 1) A written reprimand is issued if the initial measure of oral warning is not sufficient or if the infraction is severe enough to warrant a written reprimand in the employee's personnel file.
- 2) Written reprimand notices must be issued within ten days after the occurrence of the violation claimed by the supervisor or ten days after completion of an administrative investigation. The contents of this notice will be explained to the employee in an interview.
- 3) The original will be signed by the employee and placed in the employee's personnel file. If the employee refuses to sign the acknowledgement, then the supervisor and one other witness shall note on the reprimand that the employee received a copy and refused to sign it.
- 4) A copy will be given to the employee and included in the employee's department file.

C) Suspension With Pay: A suspension with pay is involuntary time off without loss of pay as a result of a severe infraction of policies or for repeated violation. For minor infractions, a suspension may often be given after the employee has received a written warning.

- 1) Employee Decision-Making Suspension: The employee shall be instructed to decide during this "decision-making" suspension if he or she will commit to the correction of each performance deficiency and meet the Town's expected standards. Upon return to work, the employee will be required to submit, in writing, to the Department Head if and how he/she intends to meet the expected standards or has decided to leave the Town's employment. This type of suspension will not exceed one working day.
- 2) Town Investigative Suspension: This action may be used to remove an employee from the work site in order to allow for an investigation by the Town of behavior that is suspected of being illegal, that is not in the best interests of the Town, or that places other employees or citizens in jeopardy.
 - a) If charges are substantiated, disciplinary action will be taken in accordance with the nature of the offense, and may include recovery of salary and benefits paid during the suspension.

CHAPTER 5

WORK RULES

- b) If charges are unfounded, the employee will be restored to duty and a letter of exoneration will be placed in the employee's official personnel file.
- c) This type of suspension is normally paid and shall ordinarily not exceed 21 calendar days. The Town Manager, however, may authorize an extension when a comprehensive investigation will require more time to reach a conclusion.
- D) Suspension Without Pay: Suspension without pay is involuntary time off with loss of pay. This type of action may be taken when the offense is of a serious enough nature to warrant discharge but when circumstances related to an employee's overall performance would not warrant immediate discharge. The length of suspensions should not normally exceed 15 working days. The number of days of suspension, whether a specific number of days or indefinitely, will depend on the severity of the infraction.
- E) Involuntary Demotion: An involuntary demotion consists of a reassignment to a lower position classification. This type of action may be taken for serious improper conduct and/or consistent inability to meet job performance expectations. Generally, it will occur in a situation in which it is determined the employee is either unwilling or unable to perform his or her responsibilities of that position. Demotion is not a substitute for dismissal when dismissal is warranted. Employees who are returned to their previous assignments before completing a promotion evaluation period are not considered to have been involuntarily demoted.
- F) Reduction in Pay: A reduction in pay occurs with a reassignment to lower pay within the same position classification. This type of action may be taken as the result of consistent poor employee performance. No change in classification occurs. Reduction in pay is imposed for either repeated poor performance or flagrant violations of rules and regulations and is considered to be a final behavior correction opportunity. Employees who do not successfully complete their promotion evaluation period and are returned to their previous assignment are not considered to have been disciplined with a reduction in pay. A disciplinary reduction in pay does not include assignments, transfers or reassignments, including those to or from lead positions or special positions.

CHAPTER 5

WORK RULES

G) Discharge:

- 1) Discharge is the involuntary, permanent removal or termination of an employee from employment. Immediate removal of an employee from the job site pending review for discharge may be warranted in instances involving serious insubordination; theft; serious, illegal, or destructive acts while on the job; or other substantial reasons deemed appropriate by the Town Manager. An employee may also be discharged after repeated offenses of a less serious nature if the supervisor has documented the offenses and appropriate performance-related changes have not resulted from previous progressive disciplinary action. This does not include a layoff.
- 2) During the initial evaluation period, employees may be terminated at any time with or without cause and without the right of appeal. Written notification of dismissal shall be signed by the employee who has not completed the initial evaluation period and placed in the employee's personnel file, with a copy given to the employee. Dismissal of such employees requires the concurrence of the Department Head, the Human Resources Director, and the Town Manager.

- F) The Human Resources Department shall maintain an employee training history and shall periodically audit training attendance and policy compliance.

CHAPTER 7 SAFETY AND HEALTH

POLICY 7-1 SAFETY AND LOSS MANAGEMENT

The Town is committed to providing a safe and healthy working environment. In this connection, the Town makes every effort to comply with relevant federal and state occupational health and safety laws and to develop the best feasible operations, procedures, technologies, and programs conducive to such an environment. The Town's policy is aimed at minimizing the exposure of its employees and visitors to its facilities to health and safety risks.

The improper, careless, negligent, destructive, or unsafe use or operation of equipment or vehicles, as well as excessive or avoidable traffic and parking violations, shall result in disciplinary action up to and including termination of employment.

POLICY 7-2 RETURN TO WORK

Employees of the Town who are, or could be, on leave of absence from their duties as a result of work-related illness or injury may be eligible for the Return-to-Work Program upon written certification of a medical care provider. The medical care provider must certify that the employee may return to work with restrictions on physical requirements of the job in question, and that those restrictions are not expected to last more than 180 days.

Section 7-2-1 Temporary and Permanent Restrictions

A restriction identifies a physical condition that prevents an employee from performing the full scope of his or her job duties as outlined in the job description. There are two types of restrictions.

- A) Temporary restrictions are defined as those limitations placed on an injured employee by a physician that is of a relatively short duration (less than 180 days) and the employee is expected to fully recover and to return to normal working conditions.

- B) A secondary consideration will be alternative placement into another department or another assignment. That may mean an assignment that is a lower classification than the normal job assignment and commensurate wages for the duration of the temporary assignment.
- C) A critical consideration is to place the employee in a position to perform productive work that is both useful to the Town and achievable within the restrictions placed on the employee. Under no circumstances will a position be created solely for the purpose of providing work for an employee who is eligible to return to work under a temporary restriction. If there is no work available within the employee's department or in another department or assignment, the employee may remain on industrial leave.
- D) An employee shall not be returned to work to any job that is punitive in nature.

Section 7-2-3 Placement Not Substitute for Filling Vacancies

Alternative placement will not be used to avoid the filling of vacancies within the department in question.

Section 7-2-4 Participant Required to Obey Rules

An employee participating in the Return-to-Work Program is subject to all rules, regulations, standards, policies, and procedures of the Town and the specific department.

Section 7-2-5 Procedure

The Department Head and the Human Resources Director will evaluate the request in order to determine whether or not an employee is able to return to the assigned position.
- B) If authorized to participate in the Return-to-Work Program, the employee will be notified by the Department Head of the date he or she is expected to return to work.

CHAPTER 7 SAFETY AND HEALTH

- C) In no case will an employee authorized to participate in the Return-to-Work Program be placed in an area that will pose a health or safety risk to the Town, other staff, or the injured employee.

Smoking is prohibited throughout the Town's buildings and immediate workplace and in Town vehicles. This policy applies equally to all employees and visitors.

POLICY 7-4 VIOLENCE IN THE WORKPLACE

Section 7-4-1 Consequences of Prohibited Conduct

Any threats or acts of violence made by an employee against another person's life, health, well-being, family, or property are entirely unacceptable and are cause for immediate dismissal, even for a first offense. This policy holds for any threats made on Town property, at Town events or under other circumstances that may negatively impact the Town's ability to conduct its business.

POLICY 7-5 DRUG AND ALCOHOL FREE WORKPLACE

It is the policy of the Town of Camp Verde that its employees be free of substance and alcohol abuse. Consequently, the use of illegal drugs by employees is prohibited. Further, employees shall not use alcohol during work hours or engage in "prohibited conduct" as defined in this policy. The overall goals of this policy are to ensure a drug-free and alcohol-free work environment and to reduce accidents, injuries, and fatalities.

Section 7-5-1 Consequences of Prohibited Conduct

Illegal drug use, alcohol abuse, and failure to participate are grounds for discipline up to and including discharge, even for a first offense.

Section 7-5-2 Definitions of Prohibited Conduct

- A) Illegal Drug Use includes possessing, using, purchasing, distributing, or selling illegal drugs, or reporting to work impaired by illegal drugs. Under this policy, "illegal drugs" include any drug or drug-like substance that:
 - 1) Is not legally obtainable;
 - 2) May be legally obtainable but has not been legally obtained; or
 - 3) Is being used in a manner or for a purpose other than prescribed.

CHAPTER 7

SAFETY AND HEALTH

- C) Failure to Participate in the Town's drug and alcohol testing policy includes:

 - 2) Failure to report immediately for drug or alcohol testing when requested to do so;
 - 3) Refusal to sign all appropriate consent forms; or
 - 4) Any other failure to cooperate to the Town's complete satisfaction.

Section 7-5-3 Use of Legal Drugs

- A) While this policy does not prohibit the use of legal drugs, employees are required to notify their supervisors if the use of any legal drug may endanger their safety or the safety of others. For example, an employee should tell their supervisor if they are using any legal drug that warns about drowsiness or cautions against operating heavy machinery after use.
- B) "Legal Drugs" as used in this policy include prescribed and over-the-counter drugs or medications that have been legally obtained and are being used only for the purpose for which they were prescribed or manufactured.
- C) Anyone who fails to notify his or her supervisor about the use of legal drugs will be subject to disciplinary action up to and including discharge, even for a first offense.

Section 7-5-4 Types of Tests

The Town has implemented four circumstances for drug and alcohol testing.

A) Pre-employment Testing

- 1) Candidates selected for "safety-sensitive" positions must submit to a drug test. Any potential hire who tests positive for drug use will be ineligible for employment with the Town.

CHAPTER 7

SAFETY AND HEALTH

- 2) "Safety-sensitive" positions include those positions involving work that may pose a great danger to the public. (i.e. peace officers, work involving the operation of dangerous instrumentalities, any position that requires an employee to be behind the wheel of a car for a substantial part of their job, jobs requiring a CDL).

B) Post-Accident Testing for all employees

- 1) Any employee, while on-duty and driving a Town vehicle, is subject to drug and alcohol testing any time he or she is involved in an accident where:
 - a) A fatality is involved;
 - b) The driver receives a citation for a moving violation arising from an accident where anyone involved requires immediate treatment for an injury away from the accident scene; or
 - c) Any vehicle involved incurs "disabling damage" (for example, must be towed away).
- 2) Following any accident, the employee must notify the Town as soon as possible.
- 3) Any time a post-accident drug or alcohol test is required, it must be performed as soon as possible following the accident. If no alcohol test can be made within 8 hours, attempts to perform an alcohol test shall cease. If no urine collection can be obtained for purposes of post-accident drug testing within 32 hours, attempts to make such collection shall cease.
- 4) In the event that federal, state, or local officials conduct tests for the use of alcohol or controlled substances following an accident, these tests may meet the requirements of this policy, provided the tests conform to applicable federal, state, or local requirements. The Town may request or require testing documentation from such agencies and may ask or require the employee to sign a release allowing the Town to obtain such test results.
- 5) In the event a driver is so seriously injured that he or she cannot provide a sample of urine, blood, breath, or saliva at the time of the accident, the driver must provide necessary authorization for the Town to obtain hospital records or other documents that would indicate the presence of controlled substances or alcohol in the driver's system at the time of the accident.

CHAPTER 7
SAFETY AND HEALTH

C) Random Testing for certain Safety-Sensitive employees

- 1) Any employee who holds a CDL or assigned to a Narcotics Enforcement Unit shall be subject to random drug and alcohol testing. The Town or its agents will submit all the required names to a random selection system. The random selection system provides an equal chance for each employee to be selected each time random selection occurs. Random selections will be reasonably spread throughout the year.
 - a) To meet DOT requirements, the Town will test the average number of employee positions requiring a CDL in each calendar year at a rate established by the Department of Transportation (DOT) for the given year.
- 2) Random selection, by its very nature, may result in employees being selected in successive selection or more than once a calendar year. Alternatively, some employees may not be selected in a calendar year.
- 3) If an employee is selected at random for either drug or alcohol testing, a Town supervisor will notify the employee. Once notified, every action the employee takes must lead to a collection. If the employee engages in conduct that does not lead to a collection as soon as possible after notification, such conduct shall be considered a refusal to test.

D) Reasonable Suspicion Testing

- 1) The Town will require an employee to submit to alcohol and/or drug testing when there is reasonable suspicion to believe that the employee is engaged in illegal drug use or alcohol abuse.
- 2) For purposes of this policy, "reasonable suspicion" will be based on specific observations concerning the appearance, behavior, speech, or body odors of an employee, including, without limitation, slurred speech, red eyes, dilated pupils, incoherence, unsteadiness, unexplained carelessness or accidents, erratic behavior, inability to perform the job and other unexplained behavior changes.
- 3) These observations will be made by a supervisor, a peace officer, or other Town official who has been trained to recognize signs of alcohol and/or drug use.

CHAPTER 7 SAFETY AND HEALTH

Section 7-5-5 Authorization For Previous Test Records of CDL Holders

As a condition of employment, any employee who is required to hold a commercial driver's license (CDL) for the position shall sign a release authorizing the Town to obtain drug and alcohol testing records from the employee's previous employers for the previous two years. The Town will verify that no prior employer of the employee has records indicating a violation of any DOT rule pertaining to controlled substance or alcohol use within the previous two years.

Section 7-5-6 Drug Testing

Drug testing will be performed through urinalysis or blood testing. Urinalysis or blood testing will test for the presence of drugs and/or metabolites of the following controlled substances: marijuana, cocaine, opiates, amphetamines, phencyclidine (PCP) and all other controlled substances.

- A) Laboratory Testing: The procedure starts with the collection of a urine or blood specimen.
- 1) Specimens will be submitted to a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory for testing.
 - 2) As part of the collection process, the specimen provided will be split into two vials; a primary vial and a secondary vial.
 - 3) The SAMHSA certified laboratory will perform initial screening on all primary vials.
 - 4) In the event that the primary specimen tests positive, a confirmation test of the specimen will be performed prior to the laboratory reporting the results to the Town.
- B) Laboratory Results: All laboratory results will be reported to the Human Resources Director for the Town. At the Human Resources Director's sole discretion, a determination will be made as to whether a result is positive or negative.
- 1) Negative test results will be reported to the Department Head.

CHAPTER 7
SAFETY AND HEALTH

- 2) Before reporting a positive test result, the Human Resource Director will contact the employee to discuss the test results. After being contacted, the employee shall report to the Human Resources Director immediately. If the employee fails to report to the Human Resources Director within five days after notification, the Human Resources Director may verify the test is positive.
 - 3) After any positive verification, the employee may petition the Human Resources Director to reopen the case for reconsideration.
- C) Confidentiality: Individual test results for employees will be released to the Town and will be kept strictly confidential unless consent for the release of the test results has been obtained from the employee.
- D) Request for Results: Any individual who has submitted to drug testing in compliance with this policy is entitled to receive the results of the drug testing upon a timely written request.

Section 7-5-7 Alcohol Testing

- A) The Town will perform alcohol testing using a device that is on the National Highway Traffic Safety Administration's (NHTSA) conforming products list (CPL) and meets the DOT's testing requirements. This may be a breath-testing device, a saliva-testing device or any other approved device and may be provided through a trained supervisor or the Camp Verde Marshal's Office.
- 1) The device will be operated by a technician who is certified and trained on the specific device he or she will be operating.
 - 2) The employee shall report to the alcohol-testing site as notified by the Town. The employee shall follow all instructions given by the alcohol technician.
- B) Any initial test indicating a Blood Alcohol Concentration (BAC) of .02 or greater will be confirmed on a breath testing device. The confirmation test will be performed no sooner than 15 minutes and no later than 30 minutes following the completion of the initial test.
